Dear Mrs. Linscott,

I respectfully submit my resignation from the Decatur Public Library Board. My husband has recently been transferred to a position in Edwardsville, Illinois. Unfortunately I'm not sure I would be able to give my full attention to library matters during the period before we move, and I feel it would be easier for the new member of the board to become familiar with our activities as soon as possible.

During my year and a half on the board, I have greatly enjoyed my association with all the board members and the Decatur library staff. It has also been a very enlightening experience that I've appreciated having the opportunity to participate in. I'm sure I will not soon find a library as excellent as the one in Decatur.

Sincerely,

Carlotta M. Coover
