FRESHMAN CLASS COUNCIL

Class council members discuss dance plans with their President and Vice President.

Freshmen come in growing sizes — some giggly, others with flushed faces and shaky voices, some feeling lost, and others wondering if they will make it. Scorned by sophomores and in awe of seniors, they may be found in the boiler room on their way to French class or located in the elevator for P.E. — all on their way to being sophomores.

Officers: President, Craig Tuschoff; Treasurer, Debbie Doswell; Vice President, Susan McDonald; Secretary, Zita Hughes (not pictured); and Advisor, Mr. Savage (not pictured).

We were more unified during the week of homecoming than at any other time in the year. We shared a mutual bond of excitement, pride, and spirit. As we clustered together in the halls on Greaser Day, as we squeezed together at the assembly, and as we huddled together at the game, we couldn't help but feel that we were one, we were MacArthur.

You've just got to meet my new man.

Hey you guys, you forgot to tell me how to get out of here!

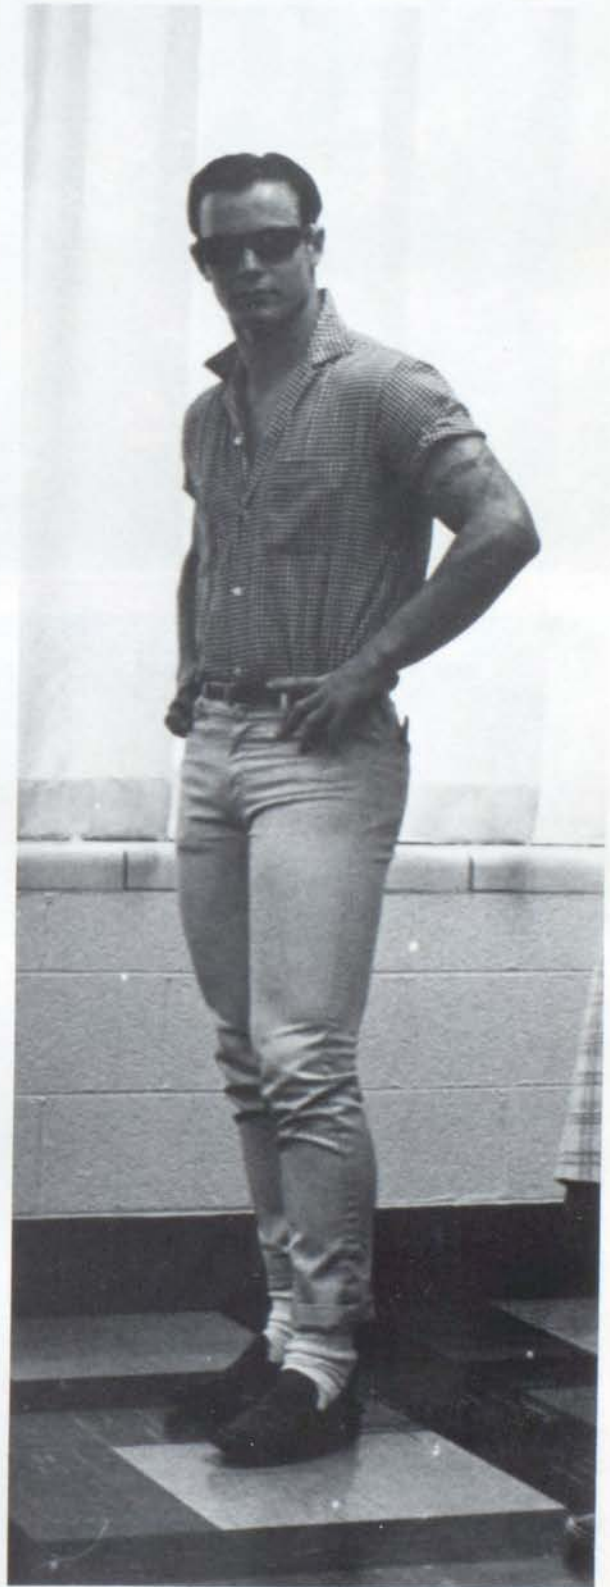

A flower? For me?

I think that guy over there is watching us.

Play it again,

"What's the word? — UNDEFEATED!"

That was the chant of the MacArthur Generals as they smashed their way to an 8-0-1 undefeated 1972 season. Under the coaching of Bob Matheson and Bill Moutray, the mighty Generals became city champs — winning the varsity jamboree for the third straight year — and also capturing the Capital Conference title. This was the best season in the sixteen-year history of Mac's football teams.

WAY TO GO GENERALS!!!

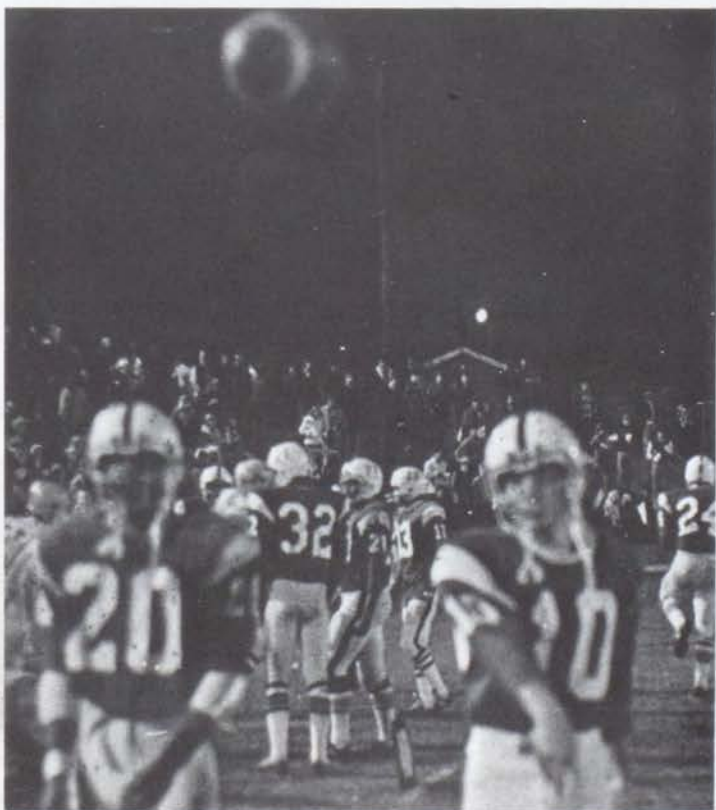

Ain't nothing to it, but to do it.

Who would dare try to stop me?

Give me a B-R-U-C-E, what's it spell? Quarterback.

Grazing in the grass.

U N D E F E A T E D !

Game winning punt return.

The highlight of the season was a 23-20 victory over the Panthers of Eisenhower.

Trailing 7-20 beginning the fourth quarter, Pat Curtis' eight yard romp made the score 13-20. New life was now evident in the crowd as well as the players. Tim Helm's two point conversion seconds later made the standing, cheering crowd go wild. The Panthers only accomplished one first down following the kickoff, then it was MacArthur all the way. With 7:34 remaining, Eisenhower punted from their 38 to Richard Muse on Mac's 32 yard line. Magically, Richard soared down the side line for a 68 yard punt return, which proved to be the winning touchdown. The crowd became one victorious voice — we're number 1, we're number 1!!

The horn blew, the fence was jumped, confusion on the muddy field — hugging, congratulating, crying tears of happiness, and later pizza. An UNDEFEATED SEASON!!

"Let's try it again people" seemed to be heard a lot more around UP THE DOWN STAIRCASE than the lines from the play. Just take an average American high school and you will have a good idea what the play is about. Although the performance appeared independent in itself, there were lines, blocking, understanding, emotions, rehearsals, rehearsals, and more rehearsals until

November 16, 17, 18.

Mrs. Mockaitis — Special Education

Wow this is interesting.

Quiet people. The library is for studying, not talking.
I wasn't talking, he was ... Why can't we talk? ... We're
working on a report ... Why do I have to leave?
I wasn't doing anything ...
Who knocked those books over?
Me? ... I didn't do it! ... I wasn't near that shelf.
Did you forge this pass?
I never forge passes ...
Then why is the teacher's name spelled wrong?

One of the fine points of Industrial Arts is handling the tools. Hammers are for pounding nails, not fingers or heads. Saws are for cutting wood not hair. Hey, get his head out of that clamp! Drills must NOT be used for piercing ears. One more thing, when we get into making chairs, please remember to drive the nails in the seat from the top down, not the bottom up! Watch it! Rulers aren't used as swords. Well, if you insist ... Touche!

The sophomore class council is stumped again on the same old theme — MONEY!

Mr. Mitsdarffer, Sophomore advisor, listens to the annual repetition of schemes.

SOPHOMORE CLASS COUNCIL

Sophomores are upper-lower class men and women. While the sophomore color is yellow, it does not suggest cowardliness but caution to all drivers and pedestrians near MacArthur. The freedom brought by Driver's Ed behind-the-desk and behind-the-wheel classes is eagerly scheduled.

This second year is also a coming of age for varsity players, language students, job seekers, and know-a-lots. Teachers and seniors keep sophs humble with periodic digs. "You're not a freshman, so don't act like one."

The security of the beginning middle is unparalleled by any other high school year. They know enough to only SELL elevator tickets and to locate the bathrooms but can avoid decisions about the future for one more year.

Officers: Secretary, Kristy Kopetz; President, John Toth; Vice President, Ellen Fisher; Treasurer, Lisa Galassi.

JUNIORS

What Mack thinks: — Great! I hate em • all

right • fine • O.K. • altogether •

Juniors so so • Like 'em • WONDERFUL!!!

With prom patience born of practice, Mr. Downey advises juniors.

Now, how did the prom theme go?

- A. Knights in White Armour
- B. Nights in White Amour
- C. Knights in White Satin (??)
- D. How should I know?
- E. NIGHTS IN WHITE SATIN

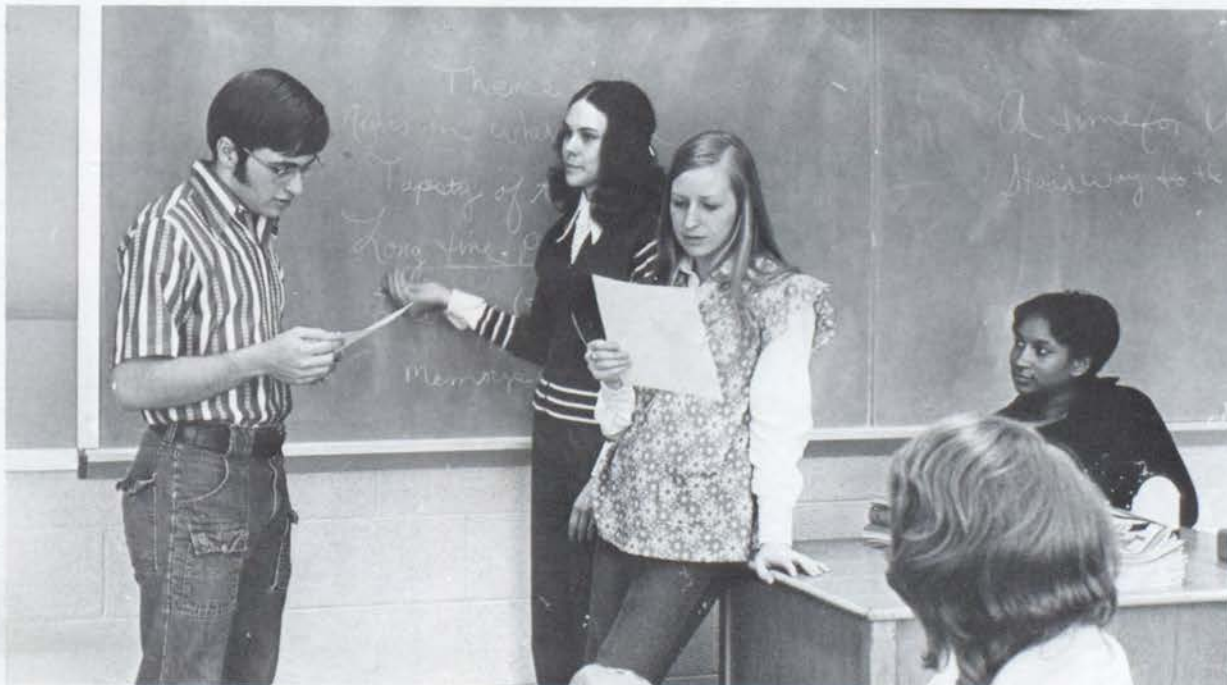

Not only are the juniors original, they are unconventional. For the first time, "ye ole gym for prom" was discarded in favor of the new Holiday Inn. In order to finance the joint prom, Stephen Decatur and Mac juniors scavenged for sales.

Besides car keys dangling from their palms, juniors are easily identifiable by the plastic covered cake pans solicitously juggled down jammed hallways. A visitor might think that a tremendous bake sale was underway, but on closer inspection, the pan only craddles a fetal pig. How gross!

JUNIOR CLASS COUNCIL

The council members combine Stephen Decatur's suggestion, "Dreams," with "Nights in White Satin."

Officers: President, Randy Rentfro; Vice President, Nancy Wilson; Treasurer, Ruthann Ward; Secretary, Thelma Woodard. Sergeant at arms, Brenda Kubow.

The Distributive Education Club was involved in many projects this year under the supervision of Mr. D. Curtis. The D.E. members participated in activities such as helping the LITTLE PRIVATE in advertising, taking gifts to the nursing homes, and organizing many fund raising projects for trips and banquets.

This year the D.E. Club attended the National DECA Conference which involved students from across the nation competing in speaking, advertising layouts, advertising displays, judging of displays, and merchandising displays. Seven MacArthur students, Jan Arnold, Linda Castelli, Fred Davies, Gayle Fouste, Steve Holden, Jennifer Paul, and Marvin Rosser, attended the conference. With Jan Arnold winning first in speaking and two D.E. teams placing third in the conference, the D.E. Club has highly successful this year.

Dark

This year, under the direction of Robert Rueter, twenty-four MacArthur students took a cutting from the play DARK OF THE MOON to the Illinois High School Association Speech and Drama Contest. Although virtually unrecognized upon entering the contest, MacArthur walked away with a unanimous first place at District competition in Cerro Gordo, and placed an impressive fifth at Sectional competition in Normal. In doing so, MacArthur students established themselves as strong competitors in the field of dramatics for the future.

SENIOR CLASS COUNCIL

The last year is so final. Sometimes they take easy courses like bowling and swimming. Sometimes they are bored. Sometimes a sense of destiny overwhelms them. Decisions must be made — college — vocation — to marry or not to marry. How soon it is Senior Skip Day, Graduation, and time to be away!

Reply;
I'm sure that not thanking Mr. Kruzan and the band was definitely an oversight. None of us realize the work and practice it takes to perform as beautifully as the marching band did this year. So to Mr. Kruzan and the marching band, Thank You for the great entertainment during games and assemblies.

you should print the two articles again in the next issue of the Monitor Jim Spaniol.

We agree that a few times the printing of the 'Monitor' has been very poor, but why is it that students gripe when it's bad but never have a kind word when it's good? We have a lot of complaints from the students but it seems no one is willing to work to make the paper better. You do have a legitimate gripe but what are YOU doing about it?

* making sure our skis are in good condition, cleaning our watches periodically oiling our bikes, or lubing the car regularly, but refrain from getting a check-up annually.
Enough about worrying? Or would you prefer to suffer a bit more?
* Perhaps it would be more intelligent to change those things you can control and cut down the worrying..

The tradition of the Mock Wedding was carried on again this year by MacArthur students under the instruction of Marie Corey. This year the three elected brides and their chosen grooms were Mary Beth Sulicz and Steve Brilley, Carol Battle and Winston Jarrett, and Bobbie Morgan and Doug Shroyer.

In reality the Mock Wedding is not a wedding at all. It is a wedding reception planned to the last detail for the purpose of teaching students the fine points of reception entertainment. The wedding is regarded as an educational learning process which emphasizes careful planning and coordination of all areas of the wedding.

The individual student who takes part in the wedding is responsible for a particular part of the wedding plans. The students research areas thoroughly in order to create a reasonably priced but impressive wedding.

"... If a man has a talent and cannot use it, he has failed. If he has a talent and uses only half of it, he has partly failed. If he has a talent and learns somehow to use the whole of it, he has gloriously succeeded, and won a satisfaction and a triumph few men ever know."

Look Homeward, Angel

The play and the novel are tributes to life and to all people. Thus it is funny and sad, tender and bawdy, optimistic and pessimistic. It is always positive. It is everything, all things. It is the essence.

Prom

Another year passed and another Prom, yet this Prom left many memories which differed from previous years. This year's Prom was held jointly with Stephen Decatur High School at the Holiday Inn. It was a pleasant change of environment from the gymnasium, and appeared to be the cause of large attendance. A good band, The Brotherhood, satisfied dancers with a pleasant combination of slow and fast music while the "knights" and their dates enjoyed a satiny cool evening on the 19th of May.
