# "Cream of Carnations"

**For LADIES of TASTE  
FOR USE IN THE TOILET**

For all Roughness, Blotches, Removes Tan, Freckles and Cures all Imperfections of the Skin.

**For Gentlemen of Taste  
FOR USE AFTER SHAVING**

No Itching, Smarting Sensation after you Shave; Leaves the Face Soft as Velvet; Delight to any Man.

We take pleasure in telling you of "Cream of Carnations" and trust that you will give it a thorough trial before condemning it as another one of the many frauds now on the market.

We unflinchingly assert that there is no lotion on the market at the present time that will surpass in any manner "Cream of Carnations."

That "Cream of Carnations" will remove tan is a proven fact and we ask you to see for yourself by following the directions given below.

"Cream of Carnations" will also give the skin a smoothness that you have never before had the pleasure of enjoying. No lady will deny that it is a pleasure to have smooth, white, soft skin.

All gentlemen will find that "Cream of Carnations" is an article not to be without after shaving, after having used it a few times, as it does entirely away with that itching, biting and sometimes stinging sensation caused by the use of the razor, and the strong acids used in shaving soaps.

For toilet purposes women will find that it is unsurpassed as a preserver of the skin while out in the weather, as it retains the skin in its natural condition: Smoothness.

Gloves may be worn five minutes after using, by a little extra rubbing, as it goes directly into the pores of the skin and dries almost immediately.

Trusting that you will give this a fair trial, we give the following directions:

To remove tan, have the hands or face perfectly clean and free from grease. Apply a light coat of "Cream of Carnations" and rub briskly until almost dry. Wash again in clear water, dry thoroughly on clean towel and again apply "Cream of Carnations" in the same manner and rub until thoroughly dry.

For making the hands or face soft, smooth, or white, use "Cream of Carnations" in the same manner as above, only applying it once.

"Cream of Carnations" used judiciously is a sure and safe way to retain the most highly prized requisite of earthly beauty—an attractive skin.

"Cream of Carnations" is sold in 25c bottles. This is a four-ounce bottle and will be sent to any address inside of the city, when ordered by phone or postal. Or sent to any address outside of city upon receipt of price. We are,

Yours respectfully,
