Katie ~

Thank you so much for the tour and the story time. I loved the books! My class enjoyed their time at the library. Now if they can convince their parents to bring them to the library often ... Ok well, we'll just have to hope!

Thanks again.

Kristin Smith ☺

P.S. During our library checkout time, one of my boys found the Salamander Room (the book you read). You should have seen how excited everyone was about his "find"!
