Yours to keep

Lakeview can be seen in the faces
of its graduates!
Lakeview is more than "just a place
to spend four years."
Rather . . .

IT IS A CURRICULUM which eyes
the future with confidence and trust.
Basic studies develop a knowledge
of our past heritage and give us a
sense of proportion . . . and electives
permit individual expression and
skill;

IT IS A FACULTY which is devoted
to our well-being and which makes
learning a pleasant experience;

IT IS A STUDENT BODY which
sparkles with warm friendliness and
a sense of achievement;

IT IS A SPIRIT which dares to do
its best and which glows with a
record and leadership and
endeavor . . .

Lakeview, indeed, can be seen in the
faces of its graduates!

. . . an intimate peek

Jane Rainwater (left foreground) compares rings with Bill Hanks, Jim Walters, Alice Smith, Ruth Monska, and Ken Grenier.

The day the class rings arrived was an important one for the Juniors—and they proudly admired each other's.

They regarded the rings not only as a glamorous ornament but as a social stage reached after many "polished" memories—theirs to keep!

Foreword

DORIAN EDITORS: Judy Werner, Assistant Editor; Judy Kunzeman, Co-Editor; Miss Virginia Casey, Faculty Adviser; Diana Shorb, Co-Editor.

This book has a searching purpose: to illustrate a true glimpse into the 1957-58 school year.

The "big things" of the months just past—attending classes, meeting deadlines, riding the bus, applauding performances, "going steady," receiving honors, enjoying athletics, "lobbying with friends"—these will surely be remembered vividly!

But our year also included the intangibles—the "fringe benefits" which color and spice: keen competition for votes for Christmas royalty . . . Yogi's last second "swisheroo" making victory over Decatur sweet . . . teachers monitoring gigantic final exams in gym . . . the UNprejudiced refereeing at student-faculty basketball game . . . bouncing high on new trampoline . . . wonderful harmony at gym-full band festival . . . chicken and shrimp and drum rhythm at senior banquet . . . frigid blasts from second floor building program . . . that "dear old tenth hour" . . . colorful leis at Prom's entrance . . .

Such is the composite of this past year and into which we invite you to look further.

The Editors.

STAFF

Dorian staff aims for work of lasting value . . .

The nucleus of Journalism II work is the production of this yearbook, just as the Journalism I course edits the newspaper, "The Echo."

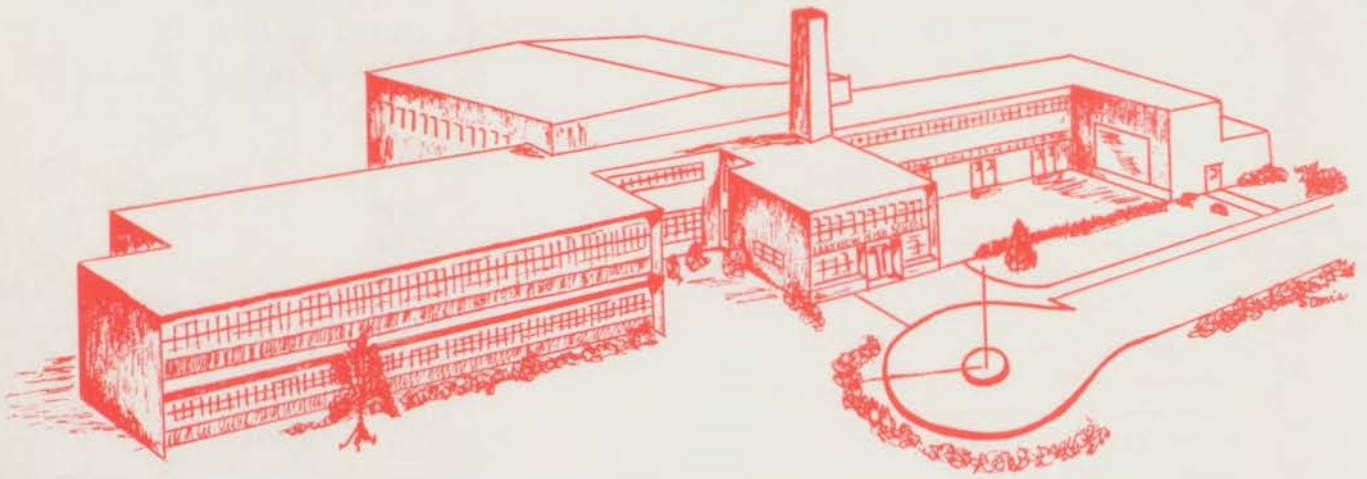

Principles of good journalism are learned and applied skillfully in organizing the yearbook sections, selecting the theme, taking pictures, balancing the layouts, cropping and processing the illustrations, writing copy and headlines, proofreading, and designing the cover.

Business procedures are used in subscription and advertising campaigns. The seniors support the book by serving on advertising groups.

Lakeview has been in existence for nine years and forms an independent community school district adjoining Decatur. An evaluation of \$20,000,000 supports approximately 800 students in this Junior-Senior High School plus pupils in four grade schools.

During the school year, the educational rate was raised from \$1.65 to \$2 and a bond issue to build a new grade school (Brush College No. 2) was passed by referendum.

Knowledge... the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth... and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big... complex... strange... and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today... business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow... even more education and training will be needed!

Such preparation today... can mean much to your success tomorrow.

the man who knows... gets ahead!

STUDENT COUNCIL

PUBLICITY COMMITTEE

Carolyn King; Mrs. Creager, **Adviser;** Ellen Davis, Janet Askins, Mary Suhl; Janet Seitz, **Chairman.**

Student Council is the contact between the student body and the administration. Its purpose is to consider the problems of student welfare and advancement. Operating on the constitution and the by-laws, the group makes recommendations to the administration.

Representatives from all common learning classes make up our vital student council whose responsibilities increase each year. Led by Jim Pfothenhauer, it handled a full quota of problems including requirements for the cheerleaders and establishment of an honor roll.

Council committees did a wonderful job this year. The publicity committee kept a day-by-day bulletin board on Lakeview in the front lobby. The auditorium committee arranged and emceed fine assemblies, financed by student taxes. The activities committee approved and scheduled the activities of organizations. The athletic committee supported the cheerleaders.

The council awards which are given each year for excellence in the activities are prized by the students.

**Students make profit running
their own businesses.**

Junior Achievement was organized this year in Decatur. From our school, Sandy Jackson was a co-chairman of Junior Achievement Week.

The members are set up into companies which are run and operated by the young people themselves. Each company has a business concern as a sponsor and an adult adviser as a supervisor. These companies sell stock at fifty cents a share and the members are paid salaries and commissions.

LAKEVIEW VARSITY FOOTBALL

The 1957 football team, consisting mostly of senior lettermen, showed great improvement over last year. Despite the tough schedule, the Spartans played very well in most of their games. Even though the Spartans didn't win all their games, Lakeview is very proud of the team's spirit and fair play. This was Mr. Lamar's second year of coaching football at Lakeview, and he did a fine job.

Seniors graduating from the team this year are: Larry Hanson, Captain; Gene Myer, Tom Gerck, Larry Grunert,

Tom Nichols, Howard Wise, Tom McKenzie, and Tony Waller.

Congratulations to Scott Allison for being chosen all-city first team fullback, all-conference first team, and all-state honorable mention. He was also voted "Most Valuable Player" and elected next year's captain. Lakeview extends its congratulations also to Tom McKenzie for making all-city first team end, and to Larry Hanson for being captain and for making all-city second team tackle.

Hard drives pick up extra yardage, often against great odds.

SENIOR HIGH BASKETBALL

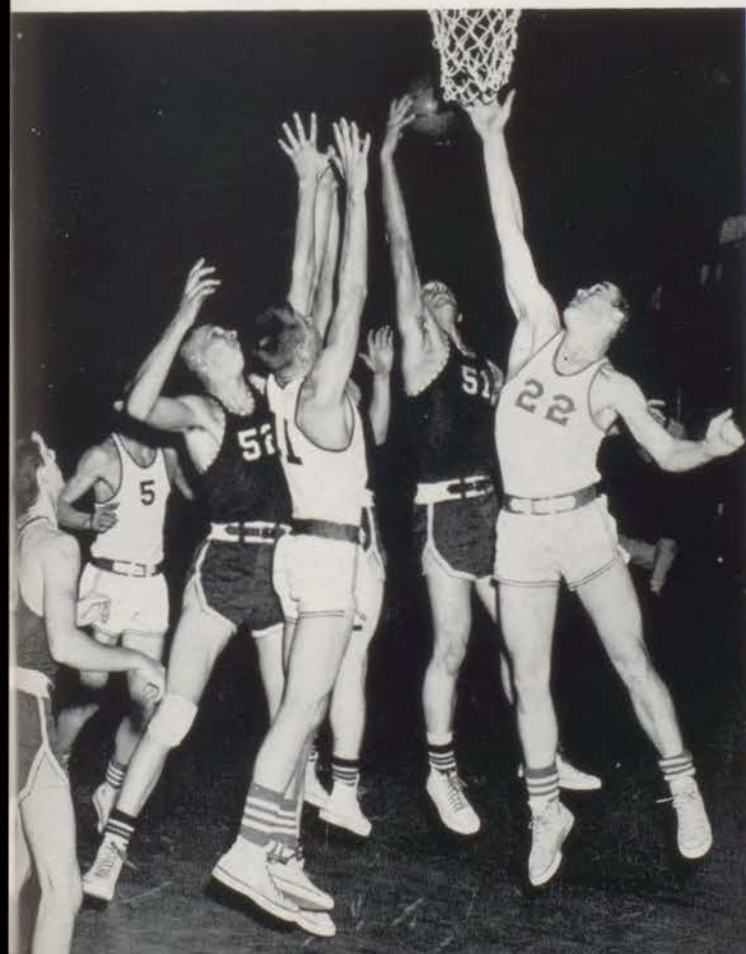

With five returning lettermen, the Spartans played and defeated some outstanding teams this season, such as: Maroa, Feitshans, Clinton, Stewardson-Strasburg, and Stephen Decatur.

Congratulations to Bob Sorrell for being voted the "most valuable player" and for being chosen all-city first team and all-conference first team guard. Congratulations also to Tom McKenzie and Bob Sorrell for being co-captains and to Jim Pfothenhauer for making all-city second team forward. Larry Hanson had the highest team average on free throws with a .916, and Bob Sorrell came in second in the city's individual scoring with an 18.1 average.

The Spartans led the city with 17 wins and 11 losses. Their spirit, sportsmanship, and fine play made them a team of which Lakeview can be very proud.

Gary makes a beautiful block.

Under the very fine coaching of Mr. Ormond, the Junior High teams made a good showing throughout the season. Although their record wasn't as good as last year's their spirit and sportsmanship were something of which Lakeview was proud. The lightweight squad ended the season by winning third in the sectional tournament.

A tricky shot under the basket is good for two points.

Under a closely draped blue and white ceiling, the Juniors were hosts to faculty and student guests on Saturday, December 7.

Shimmering blue and frosted crystal formed glamorous backdrop for royalty crowned under a gold diadem. Scallops of blue and white coated icicles decorated the sides of the gym. Brightly colored formals and good music made the Christmas dance the highlight of the winter social season.

Parents' Night, held in fall, was a great success for all who participated.

Mrs. Lamar describes aim and basic text in English IV class to interested parents.

Open house for Junior and Senior High School was held on Thursday night, November 21, and was very well attended.

Parents registered at table in front lobby and secured the schedule card of the student whose activities they wanted to follow. All class periods were held briefly so that teachers and parents could confer on class content, skills, and student problems. A social hour followed this P.T.A. sponsored activity.

Coffee with dessert is usual beginning of P.T.A. social hour following the business meeting.

A section of the band which presented a wonderful Christmas program.

**The annual Christmas Concert
by choir and band is always
anticipated with pleasure.**

Choir members were in excellent voice for fine harmony with Christmas songs, old and new. Mr. Glover was the director and Christine Wolfe was the accompanist. Glittering winter skaters painted on set props made an interesting backdrop for the well-balanced program.

AN ENVIABLE RECORD
Since 1906 OF PRODUCING
BLUE RIBBON
ANNUALS

"Blue Ribbon" is not merely a trade name or slogan, adopted for advertising purposes. We didn't just pull it out of a hat. *We earned the right to use it!*

In competition with annuals submitted in State, Sectional, even National contests, since 1906, Huston-Patterson yearbooks have been rated tops — year, after year, after year.

And so, we're proud and determined . . . proud of our past record — determined to make future accomplishments even better.
