District of Columbia - action for self-government and representation in Congress for citizens of the District of Columbia. Apportionment - action for apportionment substantially on population of congressional districts and of all elected state and local governmental bodies. Voting Rights - (Bylaws, Article XIII, Section 1,a) Action to protect the right to vote of every citizen.

- - - - -

The League Principles were revised at the May, 1972 National Convention to read, in the fifth paragraph:

The League of Women Voters believes that responsible government should be responsive to the will of the people; that government should maintain an equitable and flexible system of taxation, promote the conservation and development of natural resources in the public interest, share in the solution of economic and social problems which affect the general welfare, promote a sound economy and adopt domestic policies which facilitate the solution of international problems. (The word sound was substituted for the words stable and expanding.)
