MISS MONTGOMERY

It is an impossible task to express in such limited space the appreciation felt by students at Lakeview, both former and present, for the service, wise leadership, and good advice of MISS MARTHA MONTGOMERY.

Miss Montgomery has been teaching for twenty-eight years, eleven of which, were here at Lakeview. She is in the Naval Reserves having served as a Lieutenant Commander.

Miss Montgomery is active in the Genealogical Society. She is one of the founders of the North Fork Museum and is presently Curator.

OUR HEARTFUL THANKS GO WITH YOU,
MISS MONTGOMERY!!

**BEST WISHES
FROM**

Staley

Have you had a job interview lately where you really felt needed?

The answer is always the same. "We'll call you if something comes up."

Let's face it. You can't get a good job

without experience. And how much experience can you have fresh out of high school?

We'll give you that experience. In a skill you

pick at your interview. With today's Army.

We've got over 200 demanding job-training courses. Construction, transportation, computers, you name it. If you're qualified you'll get it. Guaranteed.

And you'll get paid for it starting at \$288 a month. Plus free meals, free medical and dental care, and 30 days paid vacation a year.

Most importantly, the skill you learn in the Army is yours to keep. So even if you don't make the Army a career, you won't get the cold shoulder when you get out.

And after your enlistment's up you can still receive up to 36 months financial assistance at the college of your choice.

**Today's Army
wants to join you.**
