Class of '75 Has Style

Scott escorts Margie as she models a prom dress from Gate's.

How about a style show? The Junior Class of 1974 held their annual style show featuring fashions for prom and post-prom, furnished by stores from the Downtown Decatur area.

Sue looks smart in her pantsuit from Sear's.

Staff Expresses Appreciation

SDHS faculty and staff held a dinner-dance in the spring of 1974 in honor of Mr. Edward Martin, Principal, and Mr. Marion Fox, Asst. Principal, who were moving to new positions in the fall. Mr. Fox is shown

here displaying the electric trolling motor for his boat which he received as a gift; Mr. Martin, pictured with his wife, was given a new watch in appreciation of many years of service.

Choirs Present Extravaganza

In May, the Stephen Decatur choirs, under the direction of Marilyn Mertz, presented the Musical Extravaganza Opus II. The audience was well-entertained by the choirs who performed songs from various Broadway musicals. The performing groups and the order of their appearances were: Mixed Choir in "Guys and Dolls", Girls' Chorus in "Funny Girl", Advanced Girls' Chorus in "Sweet Charity" and Honor Choir in "Annie Get Your Gun."

1974 Senior Assembly

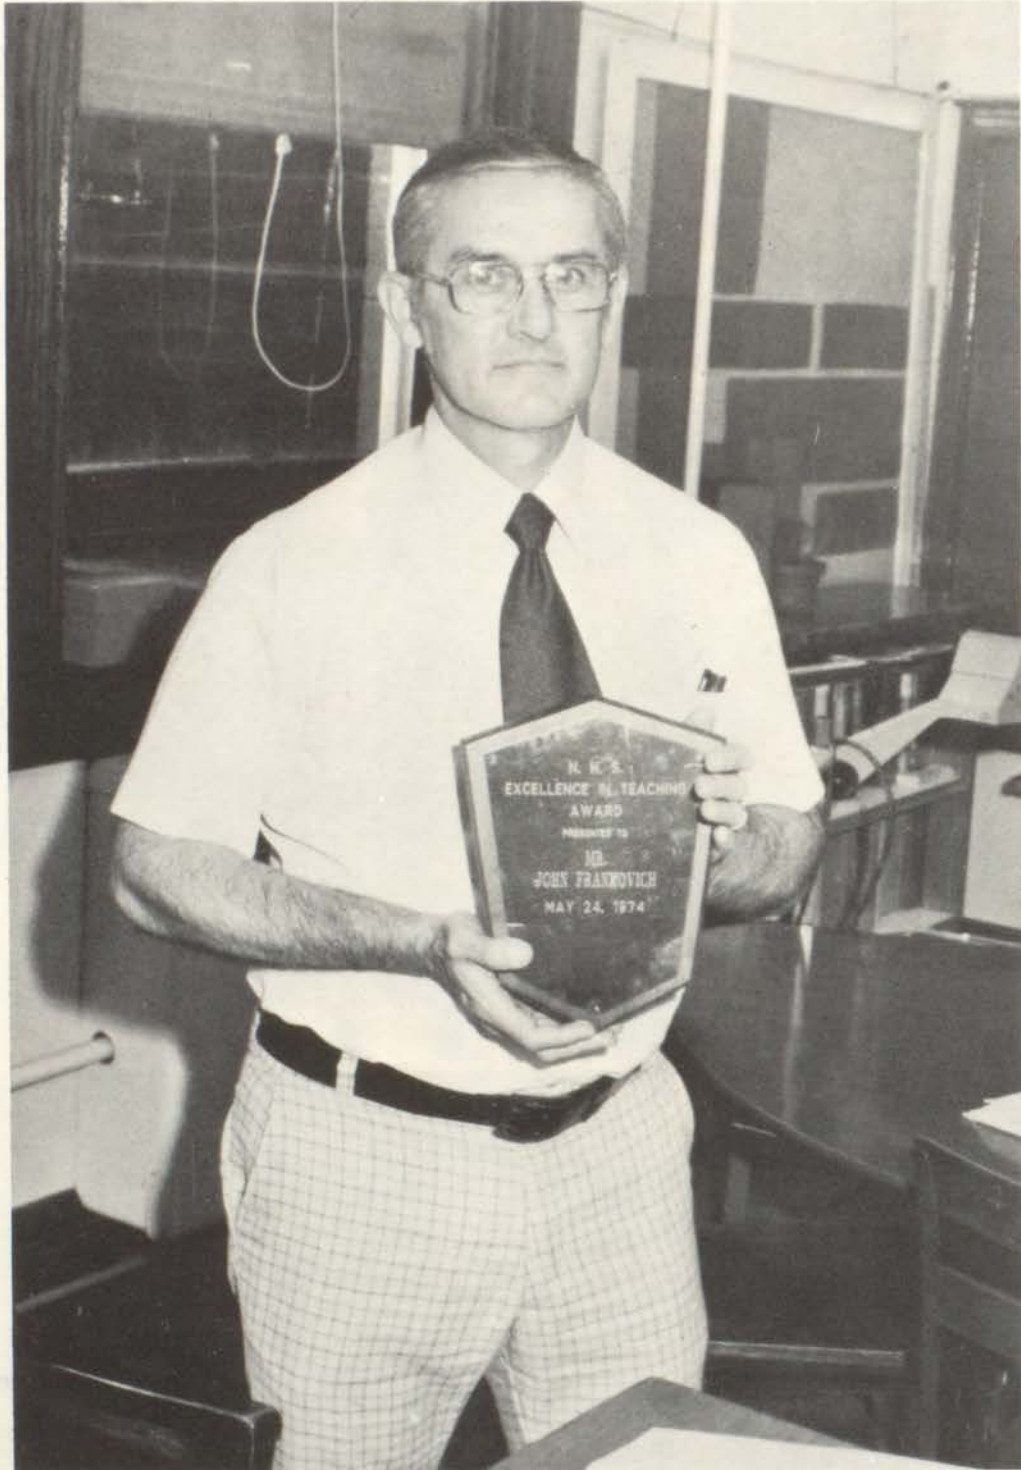

Senior Assembly 1974 was a big success, due mostly to the parts portrayed by the many talented seniors. Jeff Ross and friends demonstrated their singing abilities with "When It's Hog-Calling Time in Nebraska." Jim Taylor and Jim Quisenberry proved to be quite an asset to the assembly through their vocal solos. A hidden dancing talent showed up when John Lockmiller, Randy Bryant, Rick Moore, Rocky Brubaker, and Mike O'Neill did their own ballet. (Mike O'Neill also won the Fairy-of-the-Year award.) Despite a tropical climate in Kintner Gym, the seniors enjoyed the assembly immensely.

1974 Teacher of the Year

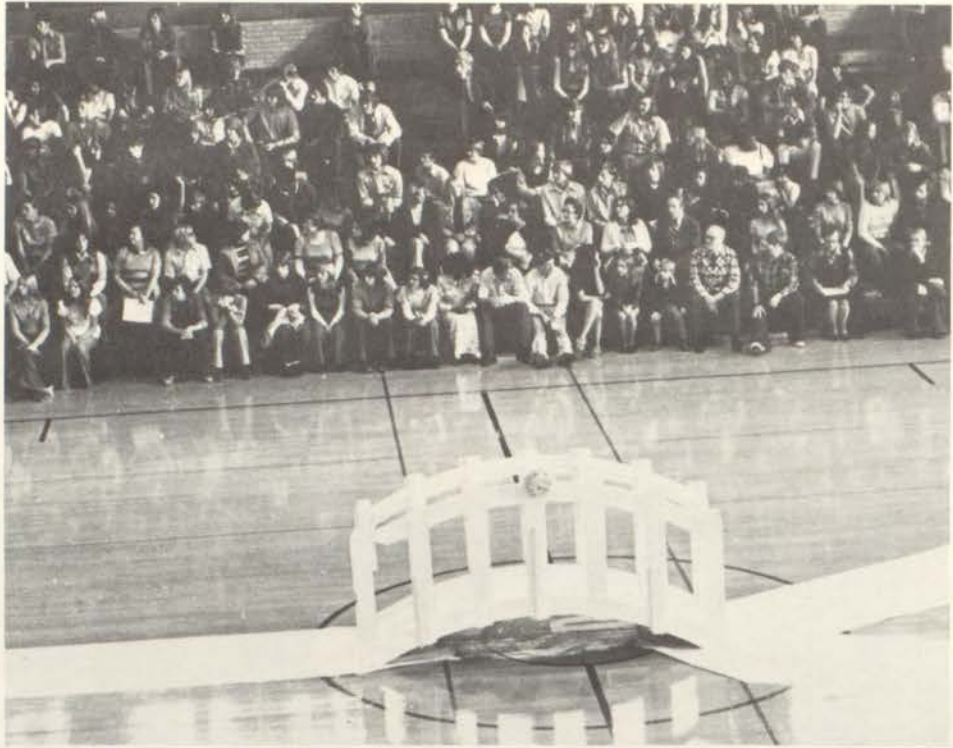

National Honor Society's plaque for excellence in teaching was presented to John Frankovich, teacher of the acoustically handicapped. The award was given at the end of the senior assembly May 24, 1974.

1975 Teacher of the Year

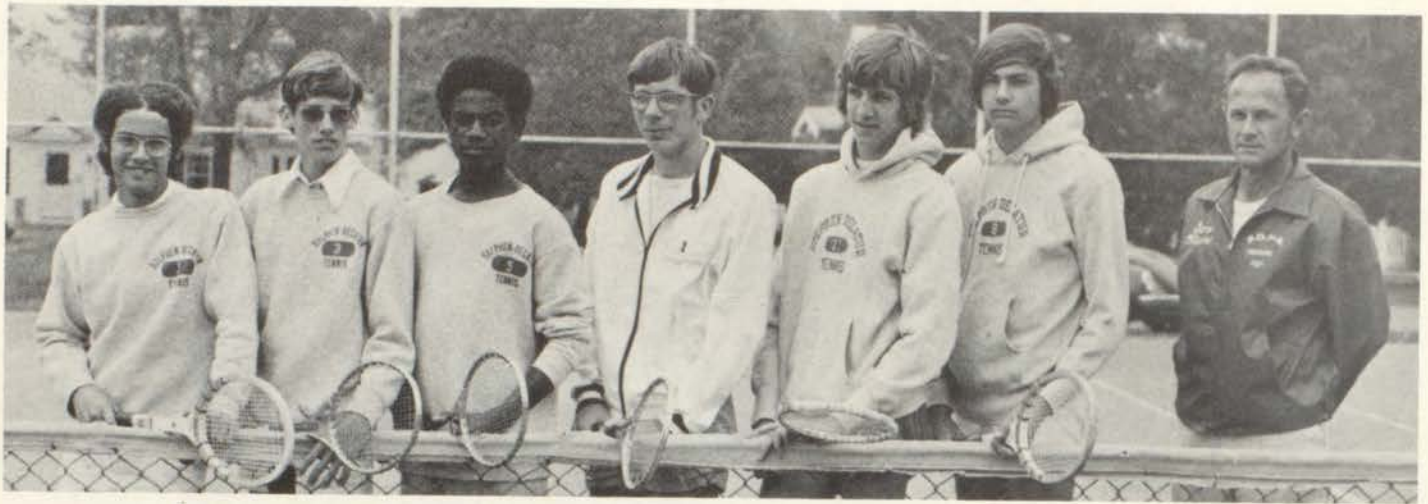

Mr. "C" (Jim Culbertson) was awarded this year's plaque for excellence in teaching. He directs the Cadet, Redcoat and Jazz bands. This is an annual award presented by National Honor Society to an outstanding teacher.

First Banquet a Success!

The first annual All Sports Banquet, sponsored by the SDHS Booster Club and Athletic Department, was held at the Holiday Inn on May 9th. Its purpose was to honor all athletes in football, basketball, baseball, wrestling, tennis, golf, cross country and track. Trophies won by each team were then presented to the school.

The guests were entertained by both the SDHS Advanced Girls and the Honor Choirs. The Holiday Inn also provided entertainment with a trio which played requests at each table. To end the evening, Mr. and Mrs. Martin received a going-away gift from the Booster Club.

Rocky Brubaker was chosen as an All-Big 12 and Prep All-American football player. He was the most valuable player and had the most tackles for the 73-74 season.

John Descaro was awarded most valuable wrestler.

Paul McCann and Dan Berg shared honors as most valuable cross country runners.

Andy Kramer won the most improved wrestler award.

Al Abbott received the Golden Helmet award for the most yards rushing. His total for the 73-74 season was 738 yards.

Sue Re-Unites with Japanese "Father"

Dan Domingo—The Philippines

Dan Domingo is sponsored by YFU. He is from the Philippines. His father, Domingo Domingo, is a Vice-President of Sales and his mother, Virginia, is in real estate. Dan has two sisters, Minnie, who is 25 and is working with medicine, and Christy, who is 6. He has one brother, Reuben, 23, who works at a T.V. station. At home, Dan is well-acquainted with animals; he has two dogs, seven cats, and some parakeets.

This year in Decatur, Dan has lived with Brett Robinson, a sophomore here at S.D.H.S. His American father, Kenneth, works at Illinois Power, while his American mother, Jean, is a homemaker. He has a sister Jan, who is in the 8th grade at Mound Middle School and a brother, Kent, in the 4th grade at Parsons Elementary School.

Dan's courses consisted of Geometry, Mechanical Drawing, P.E., English, Social Studies, and Chemistry. He commented that the hardest class he took was chemistry and the rest were easier than at home. During his year at S.D.H.S. he was manager for the basketball and girls' track teams. Dan also participated on the boys' cross country team. Dan has been an AFS member during the 74-75 school year. In his spare time, Dan rides his bike around town.

Before going back to the Philippines, June 17, he is going to tour Disneyland and Universal Studios with YFU.

When he gets back, Dan has one year of high school to complete before college, as he receives high school credit for the year spent here.

Andrea Lopau—Germany

Andrea Lopau of Springe, Germany may not have ever met the Pied Piper, but she certainly knows the town of Hamelin; until the fall of '74, she attended school there six days each week. This year, however, Andrea has been at SDHS as an exchange student with ICYE (International Christian Youth Exchange) sponsored by Grace United Methodist Church.

Andrea's father is a principal, her mother a school teacher in the German school system. Her sister (1. center) Ulkrike, 21, is studying medicine in Frankfurt. Andrea's host family this year are the Wolfes (bottom 1.); Donald works at Caterpillar, his wife Rosie is a volunteer worker at the Decatur Mental Health Center. Dre has one sister who is a nurse in Michigan.

Dre is an animal lover, as you can see, below; Susan Crede has been helping her take care of Teddy, her pet hamster. Her real favorite, though, is Tommy, a black mouse who anxiously awaits her return to Germany. Besides hamsters and mice, Dre loves to ride and work with horses; she has spent the past four summers working at riding stables in Yugoslavia. She also loves mountains and traveling; Dre spent Christmas in Florida with her host family and has been to several conventions in the Chicago area.

Dre says she has enjoyed this year in the U.S., although she is receiving no high school credit. She will have to attend two more years of school to complete requirements for her graduation. One thing she will miss at home is American food, especially fried chicken, hamburgers, chocolate ice cream, and hot dogs.

Yukio Tsuji—Japan

From Japan, SDHS has welcomed Yukio Tsuji. Yukio lives in Kufu City, near Tokyo with his family, where Mr. Tsuji is a pharmacist. Yukio has one sister Akiko, who is 22. In the U.S. Yukio lives with the Phillips family where he has two married sisters and one married brother, and another brother, Jeff, at home.

At S.D.H.S. Yukio studied sociology, anthropology, German, bowling, and acting. At home in Japan, Yuki says that the students like to wear uniforms to school in order to eliminate economic barriers.

Besides playing the drums and the guitar, Yukio practices karate, but he stresses that the karate is for his health and not for violence.

When Yukio gets back to Japan he will have a half year of school to complete before attending the university. He's not sure yet what he wants to do after graduating, but he thinks he would enjoy working for something that promotes international friendship and understanding.

Mary had a little lamb,
It might have been a sheep,
But it went to school at D.H.S.
And died from lack of sleep.

—Author Unknown

Now I sit me down to study
I pray the Lord I don't go nutty.
And when I finish all this junk
I pray the Lord I just don't flunk.

And if I should die before it all,
Take my bones to study hall
And lay them on the teacher's desk
And tell him that I did my best.
