A SKETCH of school year, 1956, would challenge an artist's skill. He would spread his palette with the prime colors of friendship, excitement, competition, endeavor, and appreciation. With sure strokes his brush would blend the lights and shadows of joys and near defeats, of heartache, of honors, and strivings into the wonderful canvas of 1956 . . . where the center of interest is LAKEVIEW'S

**Our model for the year: Mr. Foy—  
Teacher, Coach and Friend!**

MR. JOHN FOY

## TO MR. JOHN FOY:

- For his service as a coach and athletic director since the school began . . . .
- For his work as adviser of many clubs and activities . . . .
- For his cheerful smile and sense of humor . . . .
- For his loyalty and patience and courtesy to all.

With these things in mind, we proudly dedicate the '56 Dorian to our athletic director and physical education teacher.

## STAFF DIMENSIONS

There is more to producing a yearbook than just pictures and phrases. To one on the staff it means the beginning idea, then picture-taking, ad campaigns, layouts, copy writing, business records, picture-cropping, narrative headlines, and a few hundred other things. We put all these things together to make the '56 Dorian a memorable book for you.

Co-Editors often consult with Business Editor, Marilyn Duncan.

# NOW it's my turn...

Now, it's my turn to earn my place in our community . . . in our country. Someone before me had his turn . . . someone built the schools I attended . . . someone subscribed to the hospital building fund . . . someone worked on the fund drives for church and charity . . . on Scout committees . . . on the thousand and one civic affairs that weave strength and character into this country of ours.

Someone . . . in fact, many . . . were good citizens before me.

Now, it's my turn to take up the responsibilities of citizenship. I know I will be a good citizen only if I make up my mind to be . . . that I will reap the rewards of good citizenship only if I invest in them . . . that I and millions like me will determine the kind of community and country we will live in. Strong communities mean a strong Nation.

### COACHES:

Mr. Harold O. Petty, Football Coach; Mr. Robert Flaughter, Assistant Basketball Coach; Mr. John Foy, Athletic Director; Mr. Jack Fabri, Basketball Coach; Mr. Bud Ormand, Junior High Basketball and Track Coach.

## Football team wins applause for effort.

Although the football team was inexperienced, it also had a very rough schedule, meeting teams such as Limestone, Cerro Gordo, St. Teresa, Mt. Olive, and Shelbyville.

The lettermen back from the 1954-55 team were: Tom Carlson, Quarterback; Fay Coffman, End; Chuck Burns, End; Red Carter, Tackle; John Ray, Tackle; and Jerry Anderson, Fullback.

Red Carter was elected captain, and the most valuable player of the year.

**AN ENVIABLE RECORD**  
**Since 1906 OF PRODUCING**  
**BLUE RIBBON**  
**ANNUALS**

“Blue Ribbon” is not merely a trade name or slogan, adopted for advertising purposes. We didn't just pull it out of a hat. *We earned the right to use it!*

In competition with annuals submitted in State, Sectional, even National contests, since 1906, Huston-Patterson yearbooks have been rated tops — year, after year, after year.

And so, we're proud and determined . . . proud of our past record — determined to make future accomplishments even better.
