MINUTES OF BOARD OF DIRECTORS' MEETING - JANUARY 21, 1966

The regular meeting of the Board of Directors of the Decatur Public Library was held on January 21, 1966 in the Boyd Room of the Main Library, 457 North Main Street, Decatur, Illinois.

<u>MEMBERS PRESENT:</u>	<u>MEMBERS ABSENT:</u>	<u>OTHERS PRESENT:</u>
Mr. W. A. Sappington	Mr. R. A. Grohne	Mrs. L. Crow (League of Women Voters)
Mr. W. L. Olsen	Mrs. Roger Pogue	Mrs. L. Gill (League of Women Voters)
Mr. David Pilcher	Mrs. Erich Stern	Mrs. D. Nelson (League of Women Voters)
Mrs. J. Russell (late)		Mrs. L. Verbanac (League of Women Voters)
Mr. W. L. Tebussek		Mr. J. Hastings (Ill. State Highway Comm.)
Mr. Robert West		Mr. Shelledy (Ill. State Highway Comm.)
		Mrs. Mary T. Howe
		Mrs. Edith McNabb
		Mrs. M. Byrd
		Miss M. Johnson (Herald

The meeting was called to order at 4:17 p.m. by Mr. Sappington, President.

Mrs. Lucille Crow, spokesman for the League of Women Voters, reiterated the study of the League's Library Resource Committee. She reported there would be a general meeting for League members on February 22, 1966, and at that time they hope to review the library and would bring the Board up to date on any new information regarding the operation of the library during the current year or plans for a new *unaudited* library building. *for supplement*

The League members then raised the following questions which were discussed in *to include* detail by the Board. *answers to*

Mrs. Crow: "...we would be interested in knowing whether the City Council-Library Committee ever became a working group and also what, if any, were the effects of the new state library law on the development of our own library system. We would like to say that during the past year we have all been very aware of an increase in morale in the staff of the library and also the public image of the library." *MH 2/25/66*

"League members were very interested in bookmobile service of the library and they were interested in increased library service in the South Shores area. We wondered if during the past year bookmobile service has increased, if there are additional neighborhoods being served, and what really is to be done about the South Shore area, so that we can take this information back to our members."

Mrs. Verbanac: "Why do you think they (City Council) permitted the increase in the budget when they had not done so for some years back, and do you think there is a possibility that the budget will be higher again this year and that it will be approved? What do you think the library budget will be this year? What do you think will be the attitude of the Council towards it?"

Mrs. Nelson: "I read this survey of comparative salary scale or wage scale made of the city and also including the library. How does the library salary scale compare? Is it in line with the city or is it lower? It looks to me as if it were lower. Aren't at least part of the library staff Civil Service? Isn't it mandatory that the scale be the same?"

"...I notice that the first Assistant Librarianship has been vacant for quite some time and I wondered why. Do you have to have a graduate librarian in that position? Why couldn't someone trained in Business Management or Public Relations

or both do that part?"

Mrs. Crow: "Everyone is always interested in circulation. Are you able to use the Bookmobiles as much as a year ago or more - are you reaching the same neighborhoods? Are there any neighborhoods that you are now reaching with Bookmobiles that you didn't a year ago?"

"Does the Rolling Prairie Libraries function now to a point where you can tell anything about circulation trends..maybe not circulation but use by the member systems?"

"There is one more area that we haven't covered that we are interested in...the Friends of the Library. Also there has been some talk of a building drive. The League is interested in building a new library. The Friends of the Library are too. I don't know if there are any other organized groups who are, but do you think there is a possibility of a building fund being promoted, suggested, or started? We plan to interview the Friends of the Library Board next week and would like to know what is what."

"We have had correspondence with Mr. Irvin from the City Planning Department. We have been waiting for the results of his study for the cultural needs of the community. According to him, this study will not be made now until the end of this year. If anyone is waiting on that, it doesn't sound as if anything is going to be done from the City Planning office in the immediate future, such as a study for new need of a new library for the community."

Mrs. Verbanac: "...on the building fund, what were your ideas, or how do you think it would be received in the community if a group or a combined number of groups worked together to start a building fund for a library like you have with your Y... in the form of donations, memorials?"

Next, the Board met with Mr. John Hastings, Decatur, and Mr. Shelledy, Paris, Ill., representatives from the State, regarding the proposal from the Illinois State Highway Engineers. Mr. Pilcher stated the Properties Committee had one question. The proposal did not mention anything about replacing earth, sod and the yard. Mr. Shelledy replied, "That is why the temporary easement is there. The existing wall will be cut out and replaced with one to match and then we have to have the room at the back of that wall for construction room and to reseed the lawn back. He stated further, "...as soon as construction is completed on the whole job then the State has no interest whatsoever in the temporary easement."

It was brought out by the Board that the retaining wall on the east side is higher than the one on the north, and Mr. Shelledy said possibly the State Highway Engineers could extend the new part of the wall the height of the lower wall and make it a clean corner. He said a memo to the Design Department and resident engineer would handle the situation, which he agreed to write and send a copy to the Board. Mr. Shelledy also said he would attempt to get this into the plans, but doubted if he would be able to. Mrs. Howe reported that the necessary ordinance from the city, Ordinance No. 4556, was drawn up and ready to mail.

Mr. Pilcher, Chairman of the Properties Committee, then moved that the Board of Directors sell the land to the State in accordance with the following resolution and state proposal. Mr. Sappington read the resolution:

"BE IT RESOLVED BY THE BOARD OF LIBRARY DIRECTORS OF THE CITY OF DECATUR, ILLINOIS, that 50 square feet off the northeast corner of the Library premises at the intersection of North Main and Eldorado Streets in the City of Decatur,

Illinois, be sold to the State of Illinois for highway purposes for the sum of FOUR HUNDRED DOLLARS (\$400.00), and that a temporary construction easement containing approximately 32 square feet, more or less, in addition thereto, as part of said consideration, be granted to the State of Illinois for highway construction purposes; and

THAT the President and Secretary of this Board be and they are hereby authorized and directed to secure the consent of the corporate authorities of the City of Decatur, Illinois to sell the real property mentioned herein; and

THAT said officers be authorized and directed upon the receipt from the State of Illinois of the sum of FOUR HUNDRED DOLLARS (\$400.00) and upon the receipt of a duly certified copy of an Ordinance of the corporate authorities of said City granting the consent aforesaid, to execute and deliver to said State of Illinois the Deed and Construction Easement Grant, copies of which are hereto annexed and are hereby made a part hereof."

Mrs. Russell seconded the motion. Roll call vote was taken. Mr. Sappington, Mr. Pilcher, Mr. Olson, Mrs. Russell, Mr. Tebussek, and Mr. West voted aye. Motion carried. Mr. Sappington agreed to send Mr. Shelledy a copy of the ordinance upon receipt of the memo to the Design Department.

Mr. Pilcher, continuing with the Properties Committee report, asked the Board to consider doubling the size and space of Dill branch by building an "L" onto it and black-topping the balance of the area. This should be done on the basis of continuing to rent, not purchase since there is no certainty that in the future building of Decatur that would be the best location. After a discussion on the needs of Dill branch, Mr. Pilcher moved that sufficient funds be added to the 66/67 budget to increase the size of Dill branch. Mr. Olsen seconded the motion. All present voted aye. Motion carried.

After discussion of the South Shores area, Mr. Pilcher moved that funds in the amount of \$106,900.00 for a South Shores branch be put into the 66/67 budget. Mr. Olsen seconded the motion. All present voted aye. Motion carried.

The minutes of the December 17, 1965 meeting were considered. On page 2, 1966 should be changed to "1965." There were no additional corrections and the minutes stand approved as distributed.

Mr. West reported the Finance Committee met at noon January 21, 1966, reviewed the bills that were presented and approved them all. He moved the bills for January, 1966 be approved for payment. Mr. Olsen seconded the motion. Roll call vote was taken. Mr. Sappington, Mr. Pilcher, Mr. Olsen, Mrs. Russell, Mr. Tebussek and Mr. West voted aye. Motion carried.

JANUARY BILLS

Salaries:	\$ 17,463.25
Operating Expenses:	<u>6,768.48</u>
Total Expenditures:	\$ 24,231.73

Mr. West then moved that the Board transfer the \$1,396.01 balance in the Equipment 500 account to the Supplies 200 account. The money allocated to 502 will not be

used, but the Supply account is empty and the library is in dire need of supplies. Mrs. Russell seconded the motion. All present voted aye. Motion carried.

Mr. Pilcher reported for the Personnel Committee and said they discussed the salary survey study and made some suggestions and recommendations. Mrs. Howe was instructed to prepare an analysis sheet for the next budget meeting showing what was recommended and what she recommended. The need for a classification study was discussed. Mr. Pilcher moved that \$2,000 be added to the budget for the coming year for a Public Administration Services classification study. Mr. West seconded the motion. All present voted aye. Motion carried.

Mrs. Howe gave the Librarian's Report. Circulation is going to equal if not be greater than last year. Our number of patrons has also increased to 32,000. The date for a budget meeting consisting of the entire Board was discussed. It was decided that a special board meeting for study of the budget and general approval would be held at 7:30 p.m., Wednesday, February 9, 1966. Afterwards, the budget will be sent to the Screening Committee of the City before final approval by the Library Board. Then the budget will go to the City Council.

Mrs. E. McNabb reported on Community Information. Membership and renewals in Friends are coming along very well. The first meeting of Books-Between-Bites was more than usually successful - 43 people attended. The International Fair will be held in the library this year and the Rotary is co-sponsoring and have allocated a generous amount of money to take care of incidentals. Membership of Friends is over 200 now and a new member drive will begin the 1st of February.

Mr. Sappington asked for a volunteer to serve on the Friends Board. Mrs. McNabb replied, "You don't have a recommendation yet from your Policy Committee. It was referred back to the Policy Committee and Mr. Grohne has been ill and out of town." It was noted, however, that Mr. Grohne took along a full note book on policies to study.

The meeting was adjourned at 6:05 p.m.

Mr. Warren A. Sappington, President
The Board of Library Directors of the
City of Decatur

Decatur, Illinois

Dear Mr. Sappington:

As you are aware, the State of Illinois, Division of Highways, is improving Main Street (US Route 51) in the City of Decatur and a part of the improvement at the intersection of Main and Eldorado Streets requires a small portion of the Library property at its Northeast corner.

The area of right of way required is 50 square feet and a temporary easement of 31.92 square feet adjacent to the right of way is required also. It is required to increase the turning radius from Eldorado Street to Main Street and for rebuilding the sidewalk. On the enclosed plat, the right of way is shown in red and the temporary easement in blue.

There will be no expense to the Library Board as the State will replace the retaining wall and the sidewalk. The temporary easement, which is needed to have room to construct the retaining wall, will return to the Library Board upon completion of the work on the section. *Encl. Sub*

An appraisal of the right of way has been made and we offer you \$400.00 for the right of way and easement. Copies of the deed and easement are enclosed for your study and approval.

We understand that there is a meeting of the Board of Library Directors at the Library at 4 o'clock P.M. on Friday, January 21st, and that representatives of the Bureau of Right of Way have been requested to attend to furnish further explanations of plans for the improvement. John B. Hastings and G. B. Shelledy will be able to attend the meeting. Please confirm the date and hour of the meeting and if you still wish representatives of this office to attend.

As this section is planned for an early letting, your cooperation in this matter will be greatly appreciated.

Very truly yours,

Entered as second-class matter October 17, 1931, at the post office at Decatur, Illinois, under the Act of March 3, 1979. The Associated Press is entitled exclusively to the use or republication of all the local news printed in this newspaper as well as all AP news dispatches.

Discussions Next Pay Rate Step

Next step in the implementation of the city's newly completed pay plan study are discussions with representatives of the Municipal Employees Union.

Mayor Ellis B. Arnold said that no arrangements have yet been made for the talks.

The study calls for pay boosts for most city employes in three alternate proposals.

Corrections of inequalities in the city's pay schedule has been urged by study authors.

To correct some of those inequalities, the service suggests a 4½ to 5-year step schedule to the maximum pay level.

Although the study suggests salary boosts for most city jobs some salaries were found to be too high.

Study authors, however, did not recommend that employes in the latter category suffer salary cuts, so as to not endanger worker moral.

On New Schedule

If adopted by the City Council, City Manager John E. Dever said replacements would be hired on the new pay schedule, up or down.

These are some of the higher wage scale limits proposed:

- City engineer, from \$11,315 to \$13,237
 - Engineer 1, \$6,609 to \$8,532
 - Engineer 2, \$6,651 to \$9,877
 - Detectives, \$6,609 to \$7,370
 - Electrician, \$4,965 to \$6,367
 - Patrolman and fireman, \$6,000 to \$6,685.
 - Police lieutenant, \$9,117 to \$9,877
 - Police sergeant, \$8,173 to \$8,532
 - Library data processing supervisor, \$6,766 to \$8,959
 - Librarian, \$11,000 to \$12,607.
- These are some of the reductions:
- Assistant fire chief, \$10,694 to \$9,407
 - Battalion chief, \$9,177 to \$8,959
 - Fire captain, \$8,173 to \$7,739
 - Purchasing agent, \$8,651 to \$8,532

Library Pay Changes May Be Made

Changes in the pay structure of employes of the Decatur Public Library could result from a study of work performed by the employes.

A spokesman for the Public Administration Service of Chicago said Tuesday that some jobs may have changed enough to warrant adjustments in pay.

A committee of the library's board of directors had recommended Friday that such a study be made.

A new pay plan for city and library employes has just been completed, but it was based upon a review of a job classification study the service made in Decatur several years ago.

The cost of the completed pay plan is about \$3,000. The library's share is about \$300. The cost of a new study for the library was not known. The library committee has proposed budgeting \$1,800.

The Public Administration Service has suggested changes in the library pay scale. Some jobs, the service feels, warrant more money. But it recommends reduction for others.

The service's spokesman said current wage data, some of it supplied by Mrs. Mary T. Howe, librarian, was used in determining the new plan.

The city is expected to use the plan for a guideline. A work agreement it has with organized employes expires Aug. 1.
