CADET

DOUGLAS MacARTHUR HIGH SCHOOL
DECATUR, ILLINOIS

MacArthur is a school "Where the Action Is." Everyone is on the go and busily wrapped up in the events of the year. Thus, in designing this yearbook, we have tried to keep in step with the times. To depict these busy high school days, we have chosen "ACTION" as our over-all theme. This theme is carried out through our opening and class sections and our division pages. To further emphasize the theme, we have developed a new type of "motion" picture which appears in these spots. Try to keep this theme in mind as you "relive" 1966 through pictures.

ACTIVITIES

All work and no play makes a dull story. Activities add enjoyment to your school life. Through the following pages you will recall happy memories of talent shows, assemblies, dances, and class activities. Together, these made 1966 a year to remember.

APPLIED DESIGN

JEWELRY

CLASS

Everyday we rush from class to class, struggle with gerunds and expletives, prove theorems and test formulas, dissect frogs and mix chemicals, type until our fingers ache, and sing until we can barely talk. The end result of these efforts is the prized diploma.

CROSS COUNTRY

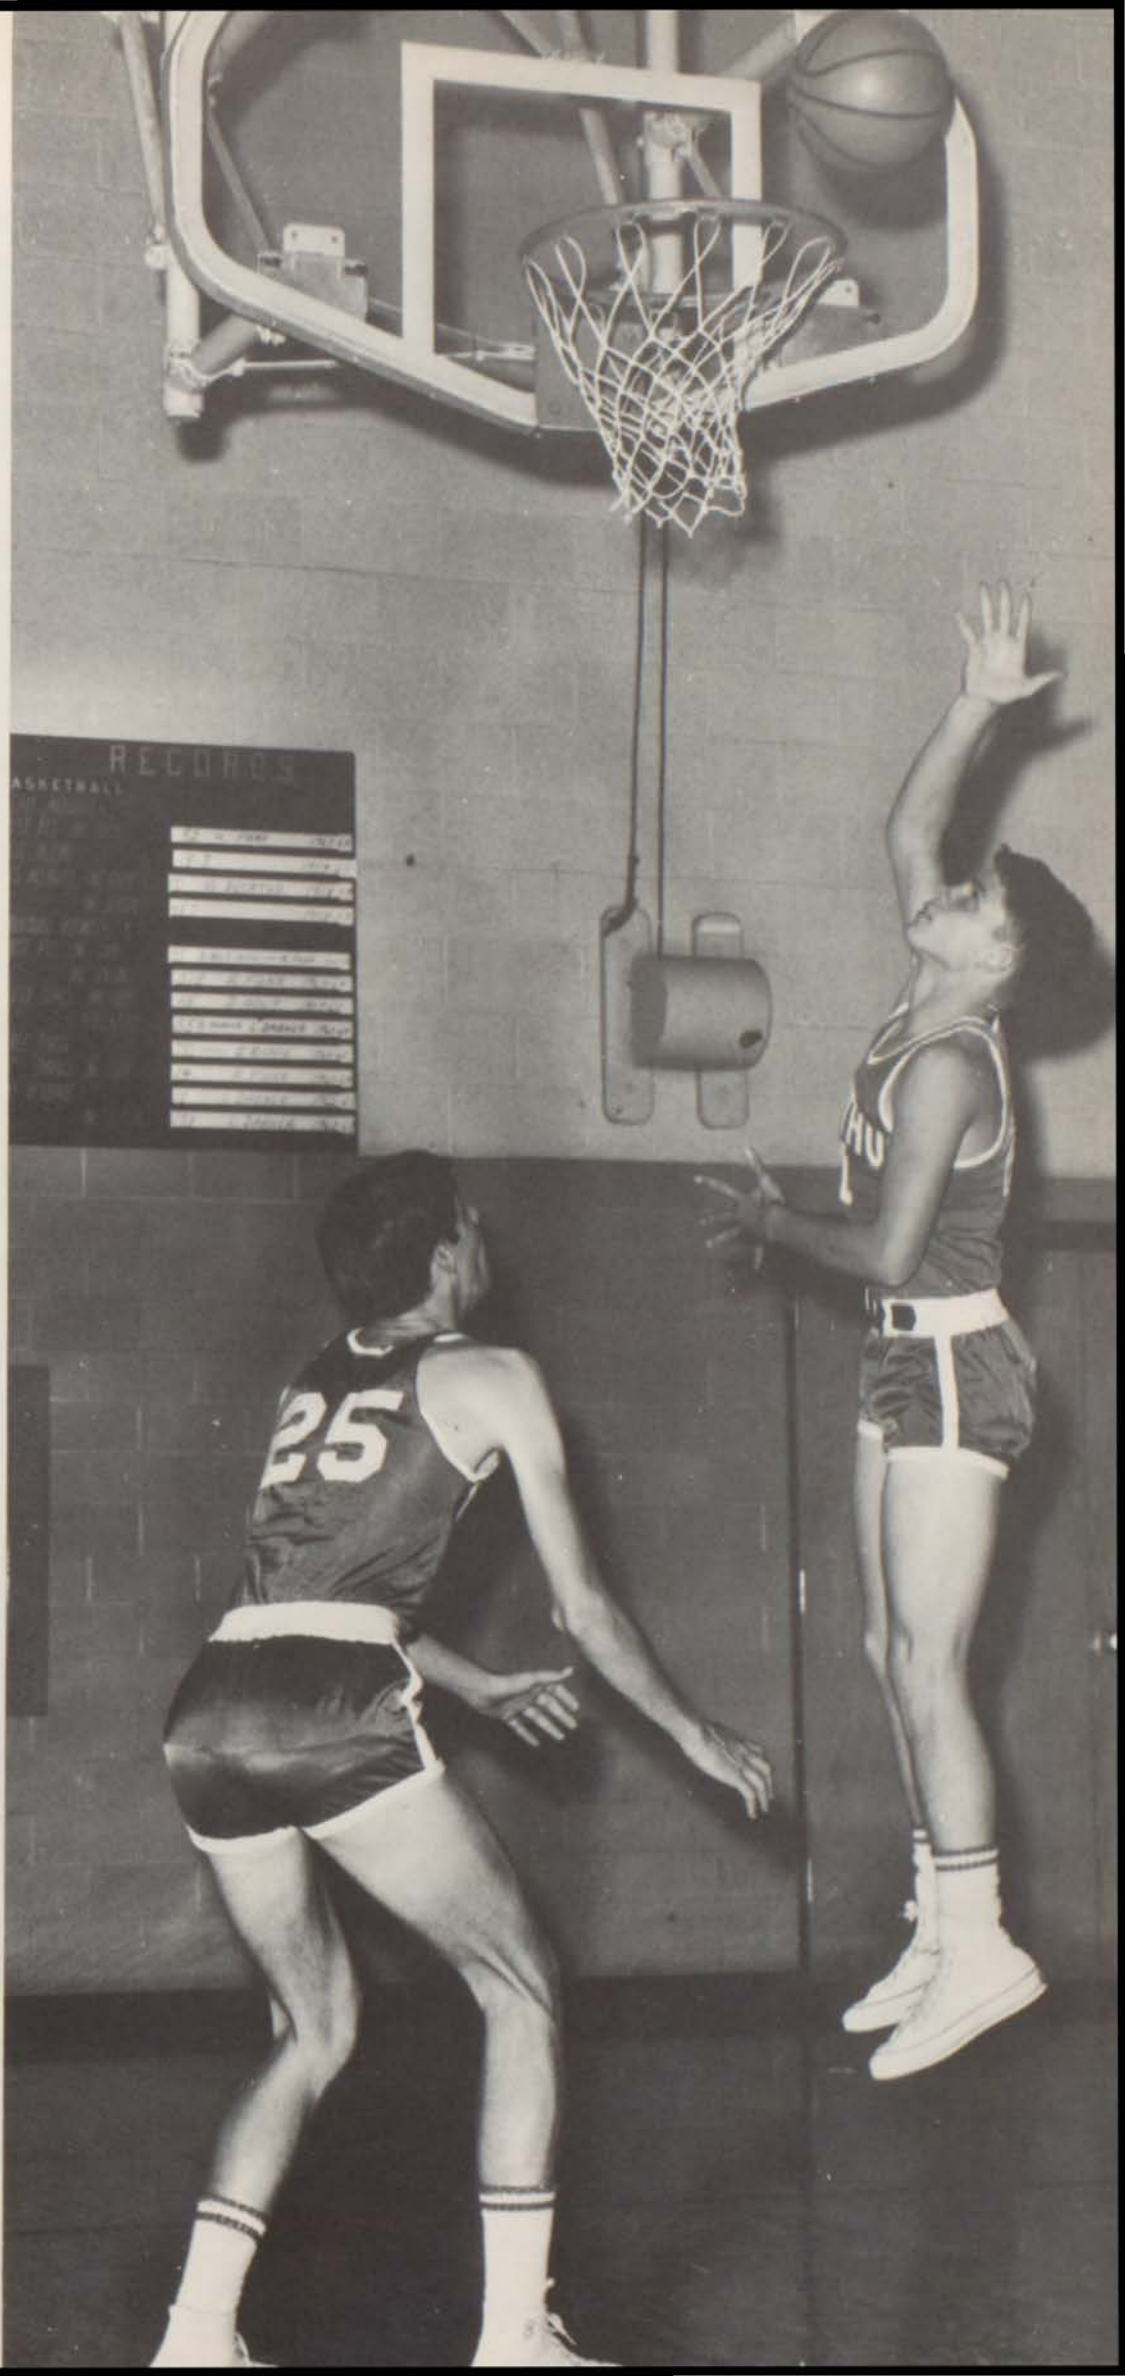

CALISTHENICS

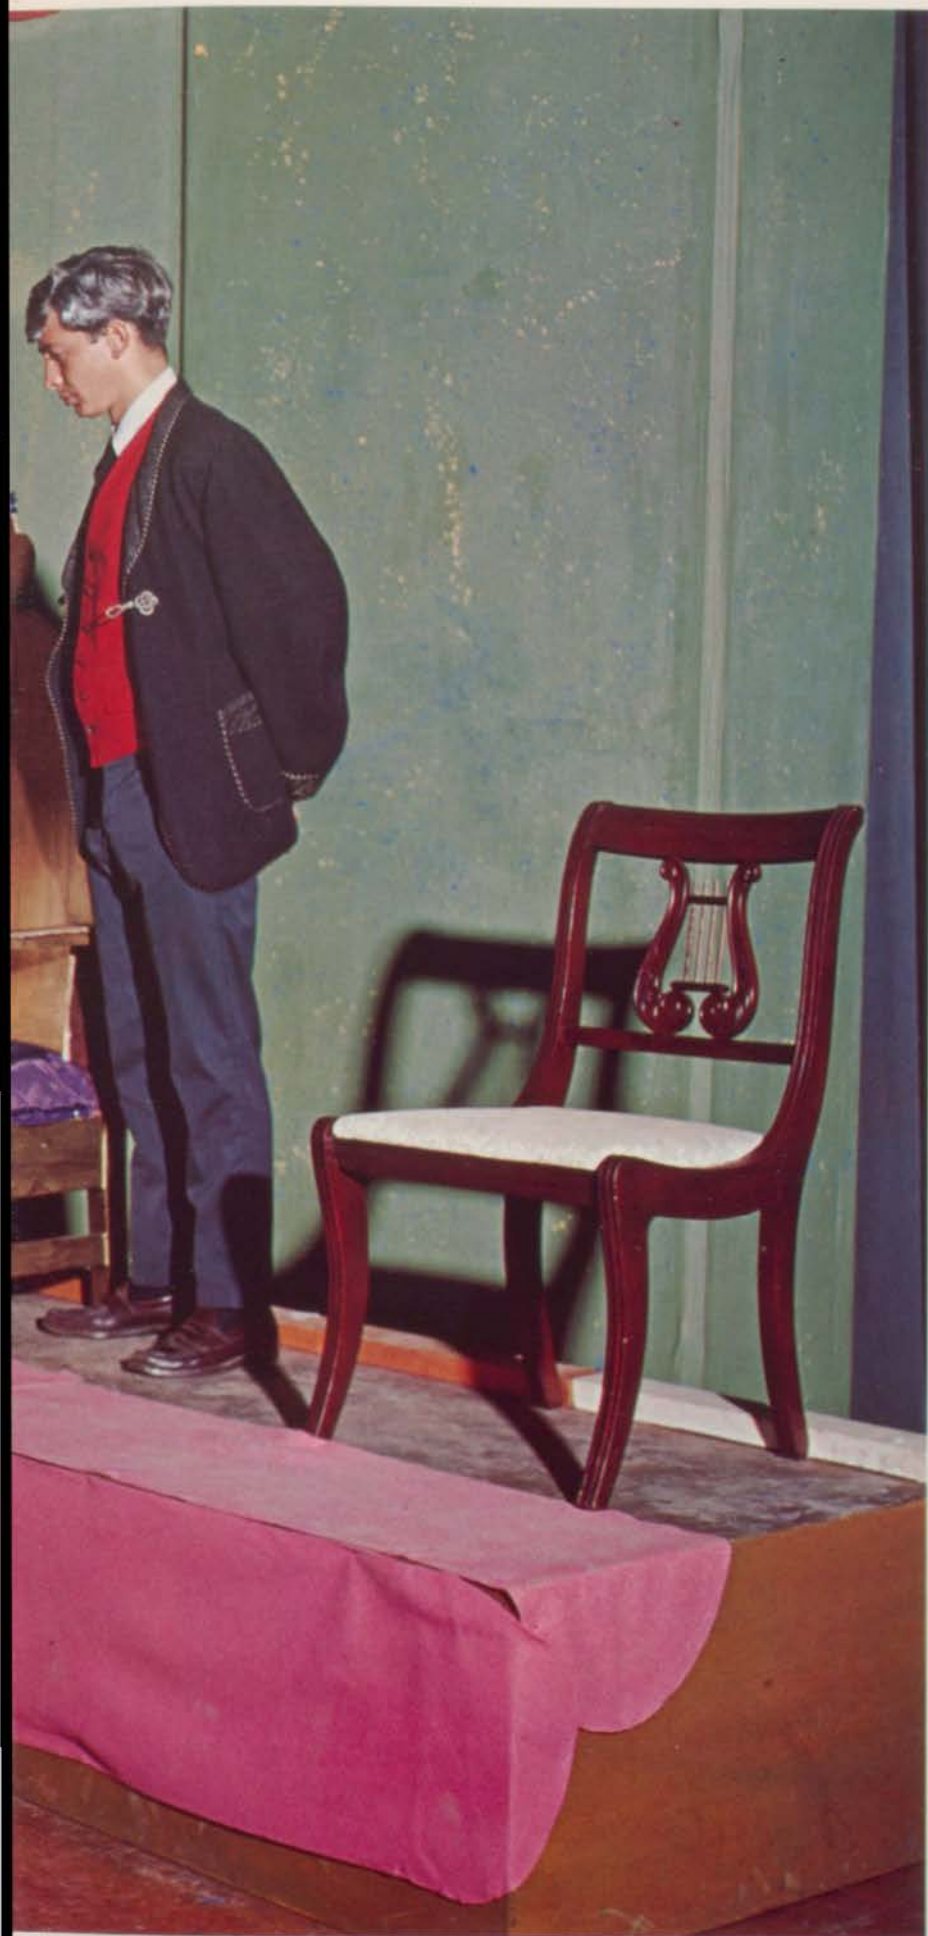

SPORTS

Athletics is a very important part of high school life. MacArthur students emphasize this fact by their good turn-out and enthusiasm at all the games. This year the Generals added cross-country to their usual line-up of football, basketball, baseball, wrestling, tennis, golf, and track. Thus, MacArthur students wishing to participate in sports are offered a good variety of choices in which their individual likes and abilities may be expressed.

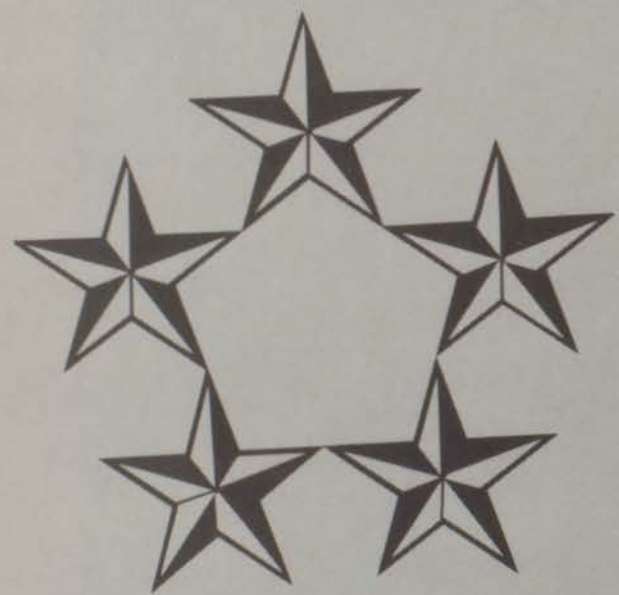

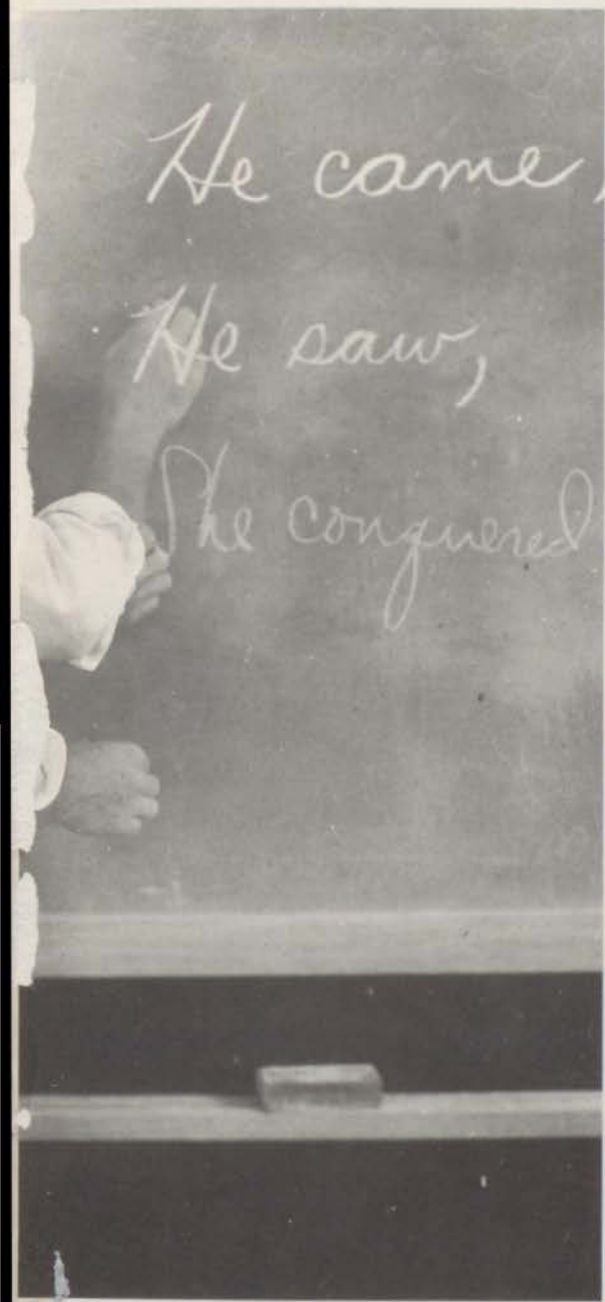

MacArthur has always been very proud of its good dramatic's department. The play shown here is "The Mouse that Roared." It was rehearsed during the summer and performed on Friday and Saturday of the first weekend of school. It, as most of Mac's plays, was well-rehearsed and very entertaining.

ADMINISTRATION

MR. LYLE MUSICK
PRINCIPAL

Mr. Lyle K. Musick, Principal, is the man MacArthur turns to for leadership. His responsibility is to run our school efficiently and well. In spite of the endless details that demand his attention, Mr. Musick always finds time to lend support to MacArthur's athletic and social events.

Mr. Clarence Taylor, Assistant Principal, is charged with planning the schedules of MacArthur's 1500 students. In addition to this demanding responsibility, he also takes charge of all money-raising projects sponsored by clubs or organizations.

Mr. Tinch is kept quite active ordering, cataloging, and distributing the thousands of textbooks used at MacArthur. As Dean of Boys, he is their main source of discipline and helps greatly in adjusting them to school life.

Mrs. Pigott, our Dean of Girls, counsels the girls of MacArthur, offering advice useful in meeting the challenges of the future. She also must approve each of the seemingly infinite excuses the girls bring her each day.

AMERICAN FIELD SERVICE AND MacARTHUR

Phil Yocum is MacArthur's American Field Service returnee from Reutlingen, Germany, a city of about seventy thousand people. Phil spent the 1964-1965 school year with a family of five. Many students at Mac have already heard of some of the fun and trials Phil had while in Southern Germany and on the Seven Seas. Phil's visit to Germany taught him a great deal of German and aided him in his understanding of other countries.

Michiko Shiroma

Another I.C.Y.E. exchange student, from France this time, is Renee Delforge, who is living with the Rileys. She is in her first art course here at Mac and as drawing is one of her favorite pastimes, she enjoys the course very much. Renee is active in the French Club, Student Council, and A.F.S. Club.

She especially likes to fence in her spare time.

MR. TAYLOR

Before coming to MacArthur in 1957, Mr. Taylor had been a mathematics teacher for twenty-two years. He had taught in grades five through high school. Mr. Taylor plans to be a mathematics teacher in a Decatur junior or senior high school for the next two years. After that he plans to look for a position as a mathematics teacher in a small private college.

MISS STAPP

Miss Stapp taught a variety of subjects in her forty-five years of teaching. Her classes included English, algebra, physical education, and geography. In Decatur, she taught at Durfee, Oakland, Stephen Decatur, and MacArthur, beginning in 1957. Of all the educational developments she has worked with she is most proud of Individual English and Honors English programs. If some of you attend the Danville Junior College Miss Stapp may be your teacher.

MR. MOUTRAY

Mr. Moutray resigned as coach here at MacArthur to accept a position with a paper mill in the state of Maryland. He is the only wrestling coach MacArthur has had since starting the sport in 1958-1959 season. Coach Moutary's final record with the Mac wrestlers was 67-20-1.

The Generals finished the 1965 gridiron season with a record of 3—5—1. If 100% effort would assure victory, we would have been undefeated this season. However, numerous mental mistakes and bad breaks seemed to be our downfall. Highlights of the season were our tie against favored Alton and our victory over a good Griffin team.

Twelve of the fifteen lettermen will be returning next year. Coach Turner has done a fine job in organizing this new sport at MacArthur.

Coach DeMoulin has done a fine job with this year's Varsity. As the season progressed, the team overcame its lack of experience with real spirit and hustle. Highlights of the season were the victory over a good Rich East team and the last second loss to Stephen Decatur. Our Frosh and Soph teams have also had successful seasons and will surely provide fine teams in the future.

Mrs. Carlson

MacArthur's cheerleaders are separated into three groups—Varsity, Junior Varsity, and Freshmen. Mrs. Carlson and Miss Caruthers share the responsibilities of cheerleading advisor. This year our cheerleaders boosted our school spirit in many ways. Mac's 1965-66 cheerleaders were appreciated and backed by the school as a whole.

T R A C K

Although Mac's track team was not outstanding this year, we should look forward to a fine season next year. There is some great talent among the underclassmen. Mac is very proud of Chris Thomalla and Bruce Freeman who qualified for state competition this year.

"Where the action is"—is no more; "Where the action was" will be again. Our halls, once filled with shuffling feet and loud voices, are now silent—there is no action.

Our desk's only notation of past activity is the initialled romances whose letters are meaningless to all but the author.

Our athletic fields of competition lay silent. The roaring crowds and the hustle of the boys-in-blue are absent. Only the opportunity to prepare for another successful athletic year at Big Mac remains.

Soon the halls will again be filled with smiling faces. Old friendships will be renewed; new friendships will be formed. Our athletic teams will be competing for the top position in a variety of sports. And our most important action—the action of our minds, will begin again.

As we end, with a summary of our past 65-66 action filled year, we, the editors, would like to thank Mr. Lamar, advisor; Mr. Maurer, photographer; the coaches of the spring sports; and all of the other people who helped make the supplement possible. We sincerely appreciate your help and cooperation.

The Editors,
Nan Jones
Sherry McCane
Kathy Grimm
Rachael Coleman
