RE: The History of Local Leagues in Illinois

I am a Northwestern University Senior working as a Project Assistant with the Illinois League this summer. One of my projects is preparing the 75th Anniversary booklet. I have, on my desk, information on a majority of the leagues, but we are still missing a few submissions. It is not too late to send your accomplishments from 1920-1995 in for publication. We hope to include all 63 Leagues.

The guidelines are as follows;

- 1) A chronological history of your League including;
 - a) specific years
 - b) please remember . . . current events
- 2) Information which differentiates your League from others
 - a) tell us about the projects your League initiated or concepts you developed
 - b) issues which relate specifically to your community
- 3) Highlight periods of growth and change
- 4) Approximately 3 paragraphs in length
- 5) Please send a copy by July 31.
- 5) Please send to:

We hope to capture the excitement of 75 years in action! Thank you for your time and contribution.

*Don't worry about writing. My primary goal is to receive info.
thanks!*
