We, the Dorian staff, wish to take this opportunity to thank Mr . Hoffman and Mr . Nelson for their generous help in making this Dorian possible .

DEDICATION

The 1963 Dorian yearbook staff believes that Mr. Ormond has promoted athletics in the school and contributed to the making of fine American manhood.

He has given the entire school the influence of his cheerful disposition, his optimistic philosophy, and his forceful teaching.

He has gained the respect and admiration of the students, his fellow teachers, and the whole community.

The Dorian yearbook staff welcomes the opportunity to dedicate the 1963 Dorian Yearbook of Lakeview High School to Coach Walter Ormond.

ADMINISTRATION

Mr. Fromm is an intelligent driving man. Even though he is shrewd in his guidance of the students, he conducts them unfalteringly. In his semester on the Lakeview campus, Mr. Fromm has won the admonition and appreciation of both students and faculty members for his work in co-ordinating and developing the school.

We, the students of Lakeview, wish to thank Mr. Fromm for contributing his time and energy in the best interests of planning and perserving the future of the students of this school.

The busiest man on the Lakeview campus is the assistant principal, Mr. Jerry Hoffman. His duties include a wide variety of responsibilities, and a large number of activities both on and off campus. Some of these responsibilities are discipline problems, students schedules, various ticket sales and the arrangements for bus trips.

Thanks go to Mr. Hoffman for attaining his unselfish attitude and every present understanding that has guided us through our high school years. His open mindedness and sense of humor has made him "one of us."

Mrs. Redlick, our dean of girls, is sincere, friendly, and courteous to everyone. She expresses her deep interest in us and our activities, academic and extracurricular through the fine services she has rendered to the students of Lakeview.

Mr. Paulson, Dean of Boys, is always ready to listen to students problems. He believes that a school should be run efficiently. He takes care of any difficulties that may arise amoun the boys at Lakeview and in this aspect is very much admired.
