S Mr. Love from favorite teacher
 I didn't think there were
 seeds in me. I didn't work as hard
 as they did. Maybe I should have
 learned a lesson or two.
T I've never had a teacher like
 you. I haven't seen a teacher like
 you since I was in school.

"MO"

MUHAMMAD ISMAIL, better known as "MO," came to Eisenhower from Indonesia, and stayed with Don Huffman. He participated in many activities and always showed great enthusiasm. We all shall remember Mo as a small guy with a smile for everyone.

RON BRACKETT

Our First A. F. S. Student

RON BRACKETT was our first participant in the American Field Service. In Switzerland his family consisted of the mother and father, three brothers, and one sister. Climbing mountains, hiking, and bicycling were some of the activities he enjoyed during this unforgettable summer abroad. We hope that through this trip a better understanding has occurred between the people of both countries.
