

Minutes of the LWV Board Meeting - February 9, 1993

Meeting opened at 7:10pm. Present were Kathleen Owen, Barbara Ohlsen, Lauri Thornton, and Marian Woyna

Minutes of the last meeting were approved as read. There was no treasurer's report.

We will not recommend anyone for the Women of Excellence award.

The last meeting on Health Consensus went very well. The Board met briefly after the meeting and approved the findings on the Consensus Part II report.

The next general meeting will be concerned with program decisions for next year. Terri Melrose has expressed an interest in working on the Water Study. Several prospective members will be contacted and invited to this meeting.

National LWV wants to streamline the League. A questionnaire to be filled out will be printed in the March Voter. This is to be returned to Kathleen.

Legislative interviews are due to State LWV by March 26th. Teams of 2 will interview Penny Severns, John Dunn, and Duane Noland.

There will be a candidates' meeting on March 27th - the library room has been reserved for that date.

Next Board meeting: March 9 at Kathleen's, 7:00pm.

Meeting adjourned at 7:40pm.

Respectfully submitted by
