"Through the Looking Glass"

We, the members of the Pantherama Staff are proud to present the 1959 Pantherama. You will see reflected, through the looking glass, countless experiences of your classmates and you.

In Appreciation

To our Mothers and Fathers whose interests have been in the improvement of our lives — whose love and encouragement have been inspirational and whose never ending sacrifices have made possible these four years of high school — we respectfully dedicate The Pantherama of 1959.

TO JUTTA

From across the sea you came,
And entered into our hearts,
How the year has flown,
It's almost time to part.

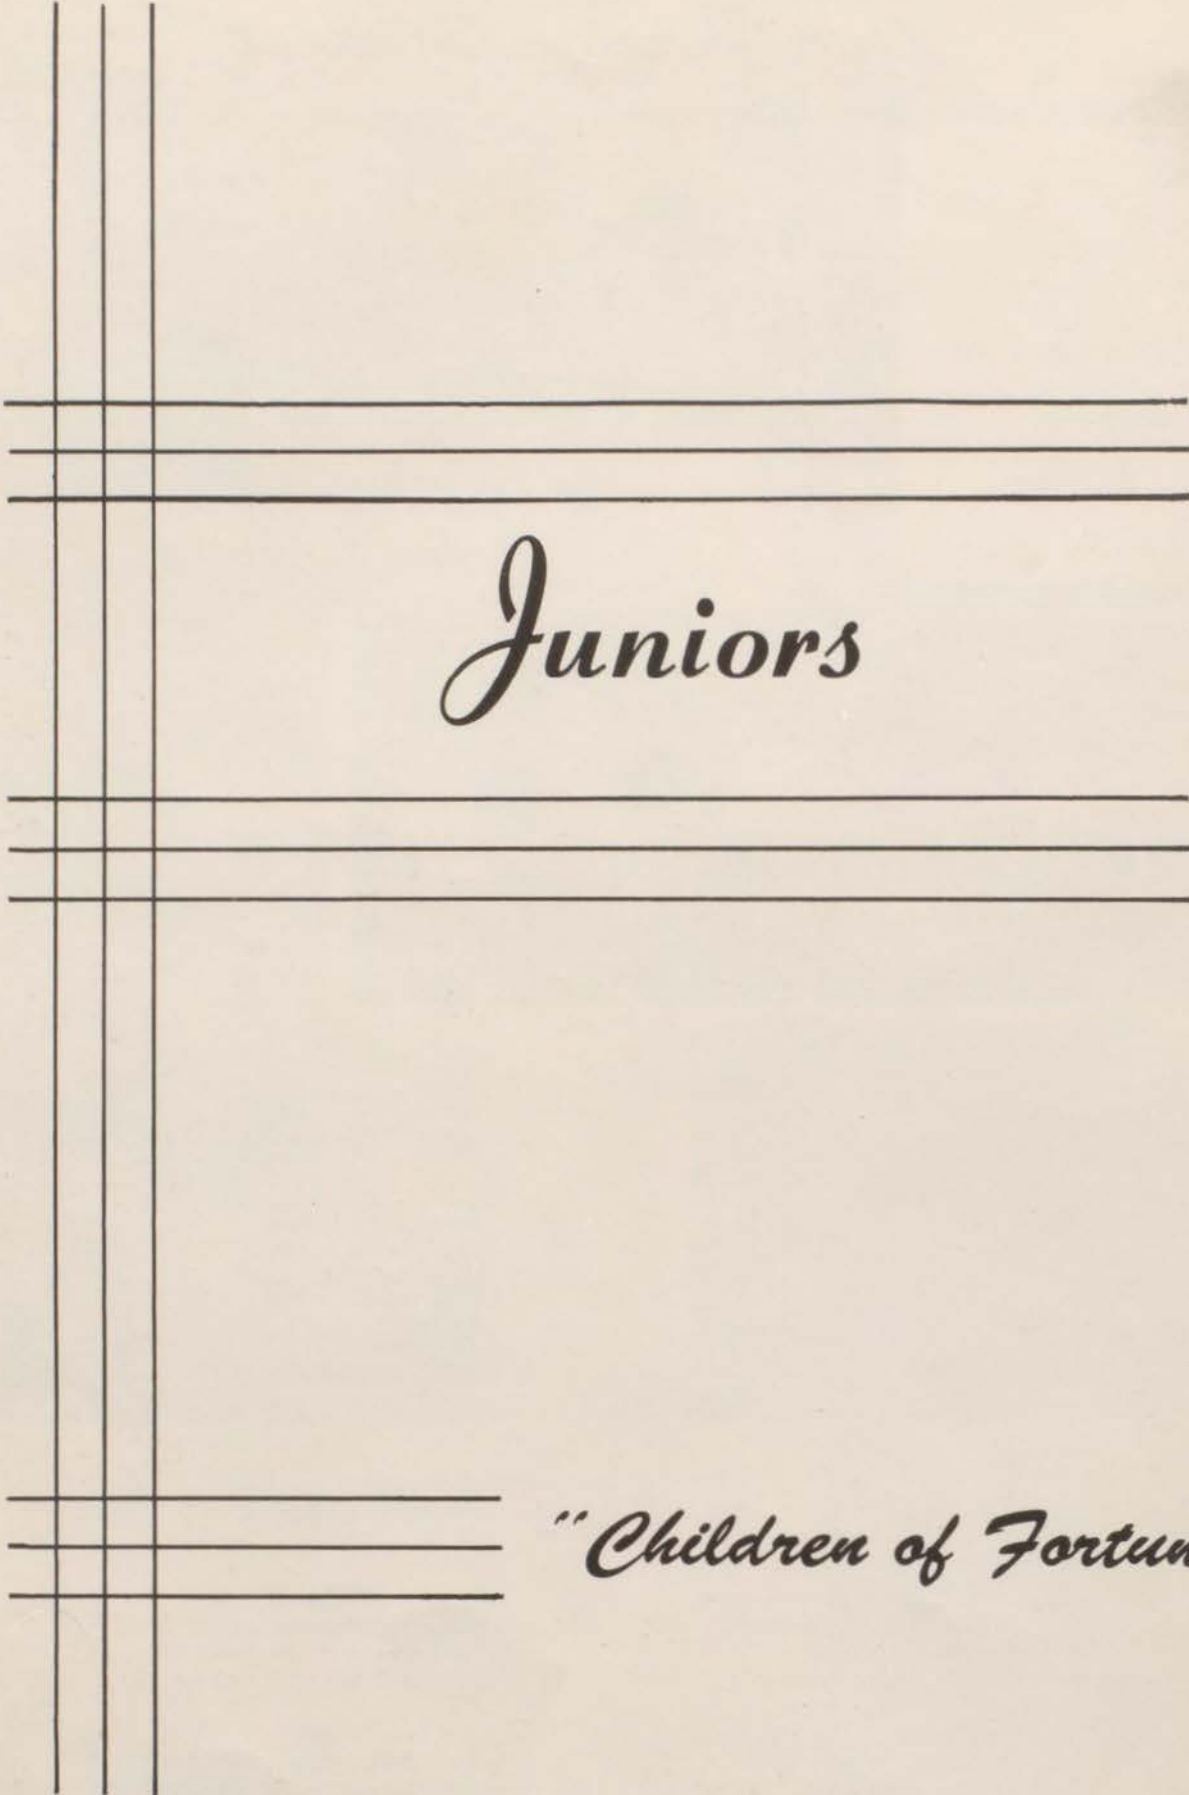

We shall remember your smile,
Your happy, cheery way,
It makes us sad,
Because you cannot stay.

Forget you? No!
That we cannot do,
We'll miss your smile, your wit,
But most of all, we'll miss you.

So if God be willing,
We'll see you again someday,
And may He watch constantly o'er you,
As you travel along your way.

The page features two sets of musical staves. Each set consists of three horizontal lines. On the left side, there are three vertical lines that intersect the horizontal lines, forming a grid-like structure. The word "Music" is written in a cursive font in the center of the page, between the two sets of staves.

HAIL EISENHOWER!

Hail! Hail! to Eisenhower
Oh Hail to the grand white and black.
Hail! Hail! to Eisenhower
Our friendship may she never lack
Ever faithful, ever true
Let us pledge our song anew,
Of the days we spent with you
Oh Hail! to Eisenhower.
