City Librarian's Report
For the January 20, 2000 Meeting
of the
Decatur Public Library Board of Trustees

The two remaining staff vacancies will be filled January 21 when Julia Martin begins work as a Library Assistant (half-time) in the children's division and Diane Gregory assumes her new position as Library Page (half-time) in the adult division. Darrell Mollohan, Library Driver (half-time), has been off work since October 4, 1999 for surgery, but he is recovering and expects to be back on the job soon. His job of picking up the books from the book drops each day has been assumed by a temporary worker. It is truly rare that all library positions are filled.

Tammy Bledsaw and Robert Foster began working in January on the library's computers. They will provide software assistance to library users, as well as troubleshooting problems with the networks. They are interns through Richland Community College.

Karen Anderson reported a very good response to the adult winter reading program, especially on the bookmobiles. She estimated that at least 50 people have signed up. Enough prizes have been donated to give two per week, and the drawing has already been held for the first two prizes. The grand prize is dinner for two at Central Park West.

The first delivery to our new deposit collection was made at Oak Manor Health Care Center on December 20. Karen Anderson is also working to set up outreach services for Cedarwood Health Care Center and McKinley Court Nursing Home.

Both bookmobiles were inspected and serviced during the month. The underpanels of the trailer on the large bookmobile will be repaired in February. A new battery solved the immediate problems for the small bookmobile.

The humidifiers are now running properly, but the pipes still must be insulated. An outside shed was built near the employee entrance for maintenance use.

The time capsule was buried on the north side of the building on December 31, 1999. The items in the capsule were on display in the library for several weeks prior to the ceremony.

In the technical division, Carol Slater has finished the project she started of identifying item records with no call number and adding call numbers and price information to the records. The next big project will be to identify items with no price and add the prices. Marsha Walters has already done a lot of the work on the audiovisual materials for this project.

City Librarian's Report
January 20, 2000
Page 2

Amy Fuller scheduled Kathryn Harris, Director of the Illinois State Historical Library, to present her one-woman portrayal of Harriet Tubman at the library on February 26, in conjunction with the awards and drawing for the Teen Read Week.

Dayle Irwin began labeling materials for a new "Decatur Center." She has essentially completed the Decatur items and will begin Macon County items next. She has written an explanation of what is in the Decatur Center and how to use it and posted it on top of the file cabinets. Robyn Hendricks has started to organize material in the Illinois Center. These two centers should provide good access points for library users seeking local and state document-type materials. In addition, Sherry Mallory has completed a vertical file index to help library users locate materials in that section.

Thirteen groups visited the children's division in December, including preschool classes from Maranatha (2) and Humpty Dumpty, elementary classes from Our Lady of Lourdes (2), Brush College (2), Southeast (3), and Johns Hill, a mixed day care group from Kids Konnection, and a Head Start GED parent/child group. Together they brought 251 people to the library.

The children's literature class at Richland Community College presented a puppet show in the new puppet theater in the children's division, and everyone seemed to enjoy the experience. Katie Gross reported that the class made very good puppets and backdrops. About 35 people attended the showing.

The cost report that was destroyed during the Y2K upgrade was rewritten by GEAC. Library cards were cleared for nearly 400 children with fines over one dollar. The difference in fines owed was \$8,000 less in December than in July.

Since the Y2K GEAC upgrade, Christine Stern reports that library users who have no fines or other problems are being declared delinquent. The system is also giving an alert on accounts that have materials even one day late. This is a problem because of the delay in when materials are returned to the library and when they are checked in by library staff. These problems can be overridden, but GEAC has been asked to correct these problems.

Registrations and re-registrations for library cards appear to have returned to normal levels after huge increases during September, October and November.

Dear Friends,

Thank you for your generous contribution to the children's collection at the Executive Mansion in Springfield. We are pleased to receive such a broad range of books from different libraries all across the state.

It is particularly special that many of the books are by Illinois authors.

By adding to the children's collection in the library, we hope to encourage families to spend time reading to each other.

The new collection of children's books for the Illinois Executive Mansion is a tribute to the rich history Illinois enjoys.

Our heartfelt thanks,

Dear Mr. Moorman:

Thank you for opening up the library to the 1999 Operation Warm Winter, a coat drive for kids. Having collection bins in high traffic places like the Decatur Public Library is surely a huge part of the success of the program. We thank you and your employees for helping out with the collection.

We have had a great year with the final count being 4,658 coats delivered to participating clothing rooms! With the warm fall, we are very pleased with that number.

Thanks again for your participation that helps to make it a warmer winter for many.

Sincerely,

Barbara Blakey

Judi Moss called the meeting to order at 4:30 p.m. Members present: Mrs. Moss, Sherri Arnold, Mark Gibson, Patricia Greanias, and Shirley Moore. Staff present: Linda Humphreys and John Moorman. Others present: John Short.

Other business: Mr. Short made a presentation to the Board from the Ag Center Committee. He reported that funds are available this year to begin work on an agricultural center for Decatur. The current proposal includes a visual center in the Madden Auditorium and some type of hydroponics display to be located somewhere in the Library. The project will be marketed by the Chamber of Commerce, the Agricultural business Committee, and the Library. The time table is 6 to 12 months.

Discussion of computer support backup in 2000/2001: Mr. Moorman reported that college interns will be hired to provide computer assistance for 30 hours per week in the evenings and on weekends after the 2000/2001 fiscal year begins.

Review of Internet policy: Mr. Moorman reported that Attorney Mike Antoline is reviewing the library's current policy. He mentioned several options as to how internet service may be handled in the children's area. Mr. Moorman will contact other libraries to find out how they handle internet access for children. The committee agreed that it was appropriate to provide some type of internet access in the children's division.

Review of revised security policy: The committee reviewed the policy. In response to a recent problem, a statement will be added regarding the taking of pictures in the library. The consensus was to recommend the policy to the Board of Trustees for approval.

Review of changes to Disaster Preparedness Plan: The changes recommended by Mr. Booth were reviewed. However, it was agreed that the entire policy needs to be completely rewritten into a working document that could actually be used in case of a disaster. No action was taken.

It was further noted that policies need to be developed for the lease space, for the library's display cases, and for accepting gifts.

There was no further business. The meeting was adjourned at 5:35 p.m.

Respectfully submitted,

John A. Moorman, City Librarian

**DECATUR PUBLIC LIBRARY
SECURITY POLICY**
Page 2

GUIDES FOR LIBRARY STAFF IN CASES OF MISCONDUCT BY LIBRARY USERS

In the case of criminal activity, staff members should distance themselves from the disruptive persons until authorities arrive. Staff members should not approach the individual and should also keep other individuals away.

A disruptive person who is told to leave should be escorted out of the building by a staff member no matter how busy the staff member is at that moment.

A patron report (Library user situation) describing any incident where users are asked to leave or the police are called must be completed as soon as possible by the guard or staff member directly involved. This report should be as thorough and detailed as possible. Administration will distribute copies the same day or in the morning of the first subsequent work day in the case of an evening disruption.

FOOD AND DRINK

Individuals in possession of food and/or drink in the Library should be informed that eating and drinking are prohibited, as per the signs to that effect. If an individual(s) has a closed container (soda can, plastic jug, bag of food), he/she is asked to leave it at a public service desk until ready to depart. Anyone with open containers of any kind will be directed to dispose of them in a waste container in the building or take them outside; individuals may not dispose of food/drink by consuming it in the Library. If the individual resists, he/she will be asked to leave the Library for the rest of the day.

CHILDREN

Children under seven (7) years of age must be under the supervision of a parent or other adult while in the Library. If a child appears to be unattended or is being disruptive (running, screaming, disturbing other users), he/she will be taken to the caretaker adult by staff member(s), who will politely ask the adult to watch the child more closely. If the same child is found alone again, or if disruptive behavior persists, the adult and child will be asked to leave the building for the rest of the day.

Finance and Properties Committee
January 4, 2000

John Stengel called the meeting to order at 4:45 p.m. Present: Mr. Stengel, Wayne Dunning, Mary Gladney, Russell Reimer, and Shirley Moore. Staff present: John Moorman, Karen Anderson, and Linda Humphreys.

Budget for fiscal year 2000/2001: The committee reviewed the proposal. Mr. Stengel noted that the fund balance going into 2001/2002 will be reduced by \$90,117 to \$250,000 to meet building expenses. The consensus was to approve the budget as discussed.

Discussion of computer support backup in 2000/2001: Mr. Moorman reported that he included funds in the temporary salaries line item of the 2000/2001 budget to hire college interns to provide computer support for 30 hours per week in the evenings and on weekends.

Other business: Mr. Moorman said that he will be working with library staff during the next several months to prepare a recommendation for the Board on the library's automation vendor.

There was no further business. The meeting was adjourned at 5:45 p.m.

Respectfully submitted,

John A. Moorman, City Librarian
