proud of D. H. S.

We point with Pride . . .

to our fine school

We're proud that our high school has so many interesting features such as its clean cafeteria and its quiet, well-stocked library. We are fortunate to be able to go to such a fine school where we all live and work together under a democratic government; where people aren't just individuals but one of a group; where it's not all work and no play. We're proud of D. H. S. because we get an education beyond books; we learn how to get along with others; we learn how to be useful members of the school and the community; we learn how to be good sports.

Library

We're Proud of our . . .

We all realize that Kintner gymnasium is one of the most outstanding features of Decatur High School. The gym's attractive entrance, well-filled trophy case, and large seating capacity are only a few of the things that make our gym so highly known. But most of all, Mr. Gay Kintner, for whom the gymnasium was named, makes our gym the most outstanding in this vicinity. During his twenty-four years of coaching at D. H. S. he has coached three state championship teams and one second place team, as well as many other outstanding teams in the history of D. H. S. We're all mighty proud of our coach, Mr. Kintner.

The Rec Room, which is sponsored by student council, is another very outstanding feature of D. H. S. Although our Rec Room is only two years old, it has already become a popular place for varied noon-time recreation. Among the many features of the Rec Room are such various indoor sports as ping pong, badminton, and shuffle board. The Rec Room also provides records for those who wish to dance at noon, as well as a piano, checkers, coke and candy machines, and a room of booths where students may eat their lunches. We all agree that the Rec Room has been a good investment and a worthwhile project for the students of Decatur High School.

Physics Laboratory

We're proud that we have so many fine departments and such well-trained teachers at Decatur High School. We are fortunate to have a wide range of courses in the history, science, mathematics, and English departments so that we may take part in our own special interest.

*We have many Vocational
and Special Interests
at D. H. S.*

Decatur High School students are fortunate to be able to go to a school where courses of every kind are offered. In this way each student may get his basic education while learning about his special interests at the same time. There is a large variety of courses offered for those who are interested in business education, art, music, home economics, etc. Being able to take part in one's own interests makes Decatur High School life more exciting for everyone, and we're very proud that we can attend Decatur High School.

Industrial Arts Classes*

Building Trades Class

The boys whose interests and futures are centered around industrial arts are fortunate to be able to go to Decatur High School. Here at D. H. S. we have many fine shops for the industrial arts students. Among these are the woodworking, electricity, and building trades classes. In these classes the boys can get wonderful experience, for this year the industrial arts department makes it possible for these boys to build one or more houses each year. This year they are completing three houses in the Decatur area.

Woodworking Shop

Electricity Shop

We're proud that at Decatur High School we are provided with a large variety and quantity of machinery in our workshops. With such a wide variety, the boys at D. H. S. can become acquainted with all types of machinery and, therefore, better their high school education through experience and opportunity.

BOARD OF EDUCATION

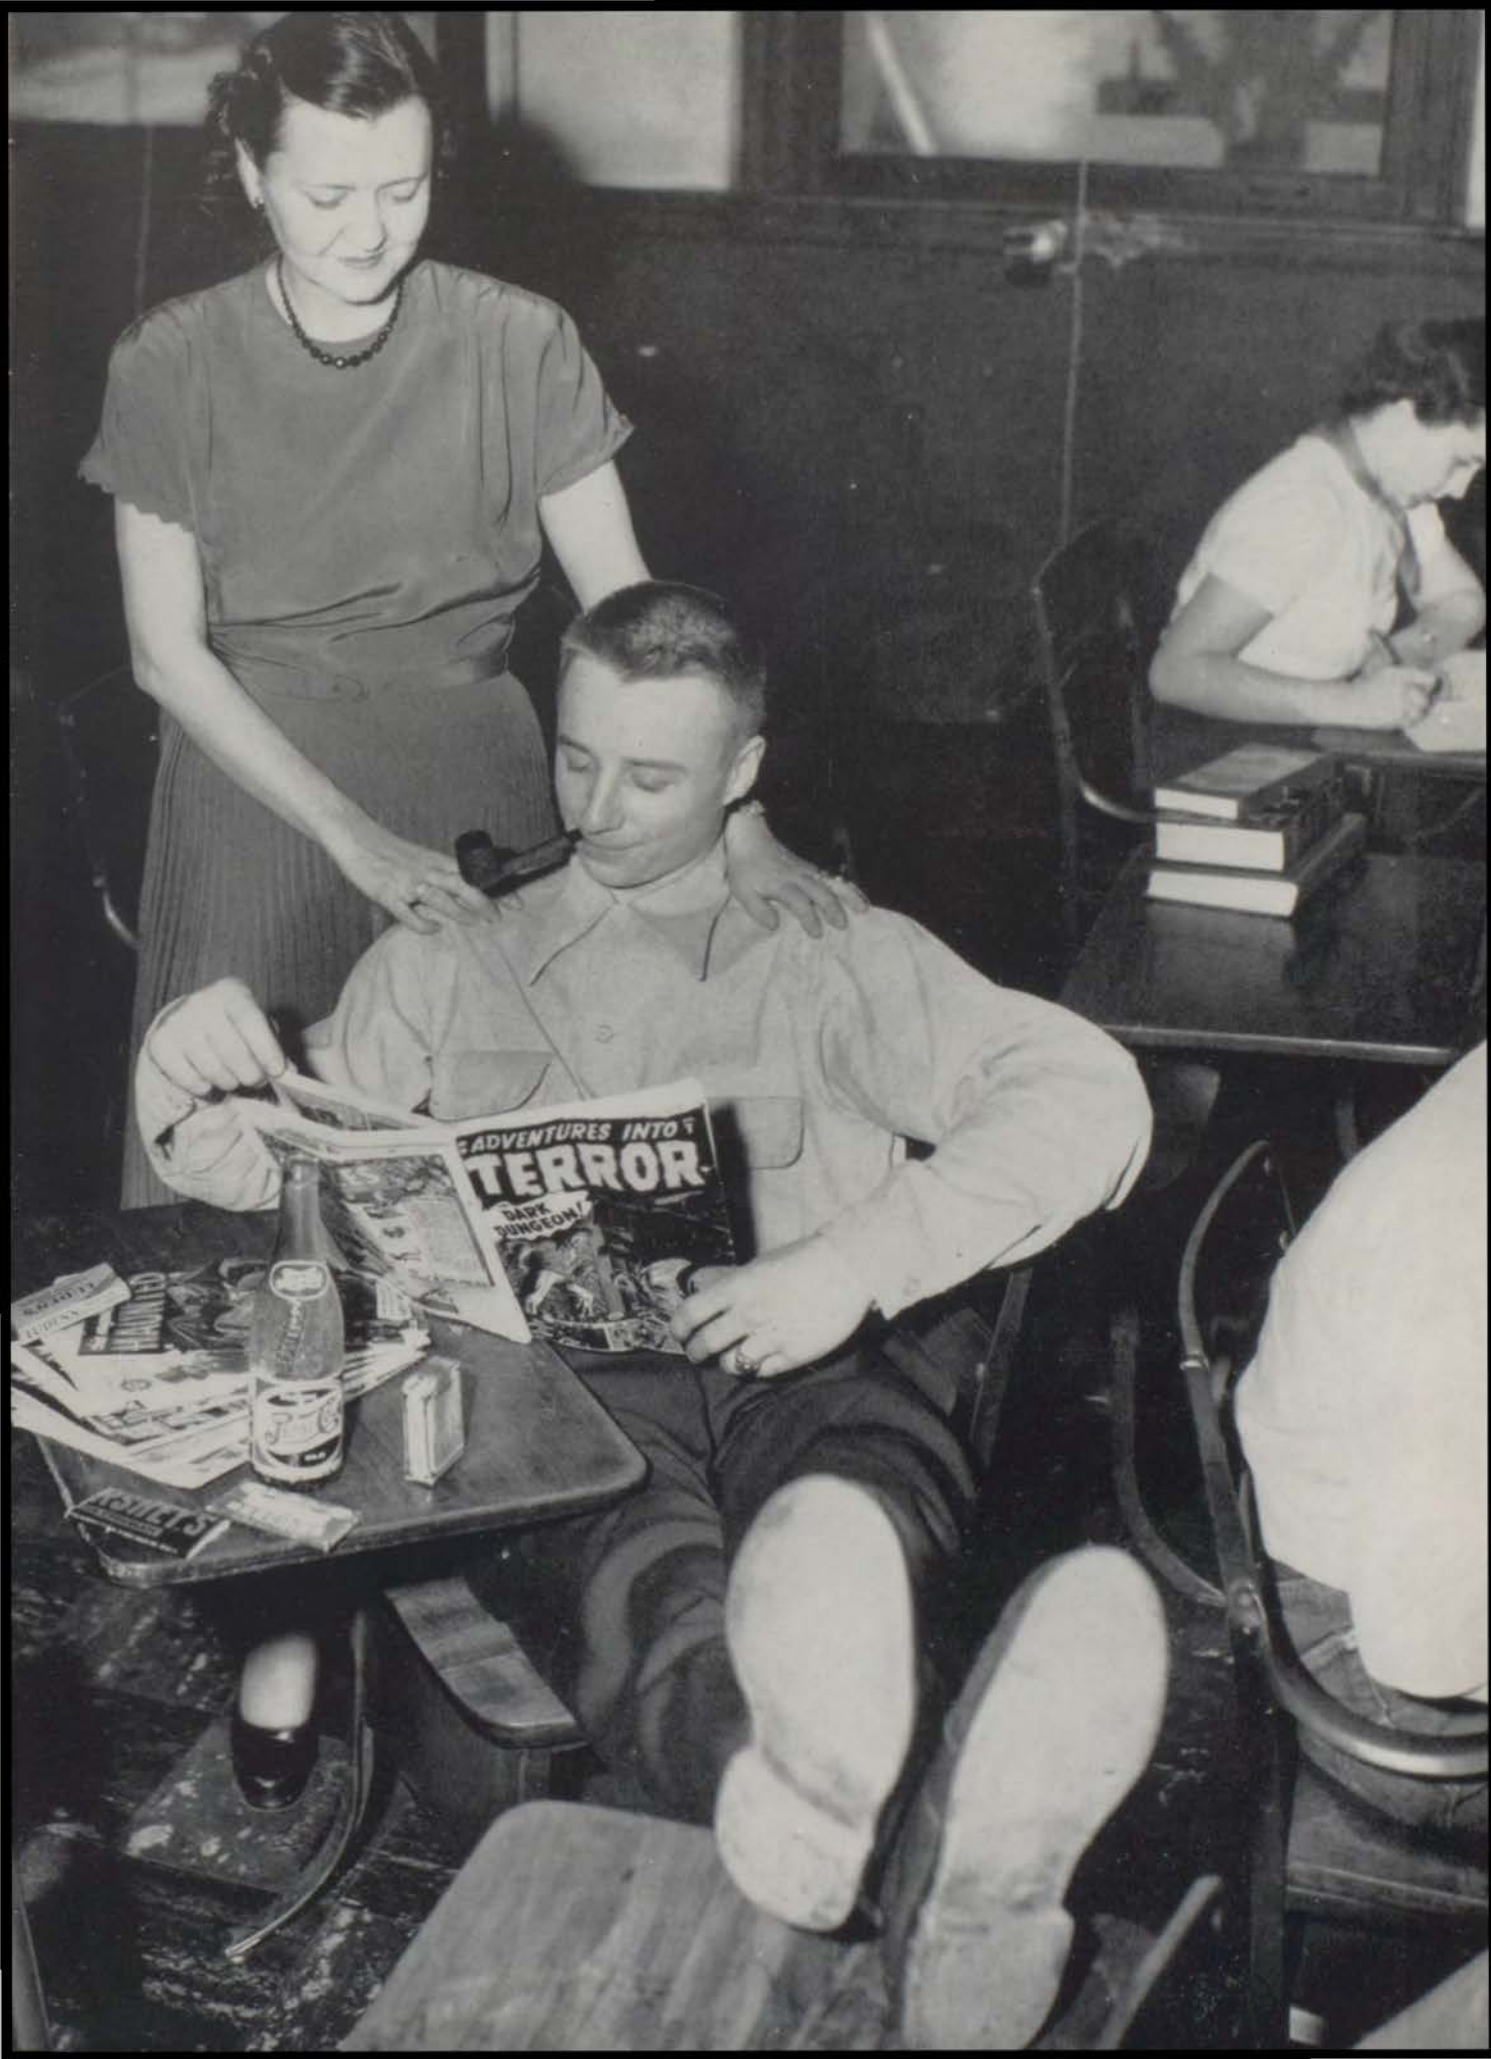

Otto C. Keil, President; Mrs. Lucy Oplinger; Lester J. Grant, Superintendent of Schools; Frank Walker.

The Board of Education of Decatur School District No. 61 is the legal voice through which the community speaks. Membership on the Board is a responsibility which requires much of those who serve. Decatur is fortunate to have members on the Board who will give willingly and generously of their time, thought, and energy to the task of providing the best possible schools for our community.

The Superintendent is employed to counsel with the Board and is held responsible for carrying out the policies determined by it.

JOANNE CHANIOT

D.A.R. AWARD

Each year an outstanding senior girl is honored by receiving the award presented by the National Society of Daughters of the American Revolution. She is then eligible, along with representatives of other Illinois high schools, for the drawing in which a state representative is selected to take a trip with all expenses paid to a convention in Washington, D. C.

LINCOLN ESSAY AWARD

Mrs. Inez J. Bender, formerly a member of the Decatur School Board and one of the foremost civic leaders in Decatur's history, gave a sum of money to the school board before her death to establish a Lincoln Essay Contest in memory of her father, who was a great admirer of Lincoln. This money is divided equally between the boy and the girl from each year's

June Senior Class who write winning essays on Lincoln. These awards are presented to them at the June Commencement exercises.

The contestants are judged fifty per cent on the essay itself, twenty-five per cent on their ability to read it before the judges, and twenty-five per cent on their school citizenship.

IDA K. MARTIN AWARDS

All seniors except the Lincoln essay winners are eligible for the Martin awards. Mrs. Ida K. Martin in February, 1920, when she was national president of the Women's Relief Corps, gave \$1,000 to the Decatur Board of Education. The interest from this money supplies two

prizes, one for a boy and one for a girl. Those entering are graded upon the content and style of their essays, delivery, and citizenship. The essays may not exceed one thousand words and may be on any phase of patriotism.

MARY W. FRENCH AWARDS

This year Joanne Chaniot, first place, and Ruth McNabb, second place, were honored with the Mary W. French awards. The recipients of these honors are chosen by the Faculty Cabinet. Miss French, for forty years a member of the Decatur High School faculty, presented \$1,000 to the school to make possible these

awards. She stipulated that those honored must have achieved more than high scholastic standing. They must have served the school in some outstanding manner, been good and loyal citizens of the school, and been active in the school organizations.

FOOTBALL 1951

In any sport, it is easy to note the outstanding participants. As we look at the following pictures let us try to remember that no individual could have done exceptionally well had not ten other boys been there to assist him. This is not to detract from the fine individual performances we watched last fall, but it is to recall to our memories the man who made the block that made possible the touchdown.

BASKETBALL 1951-1952

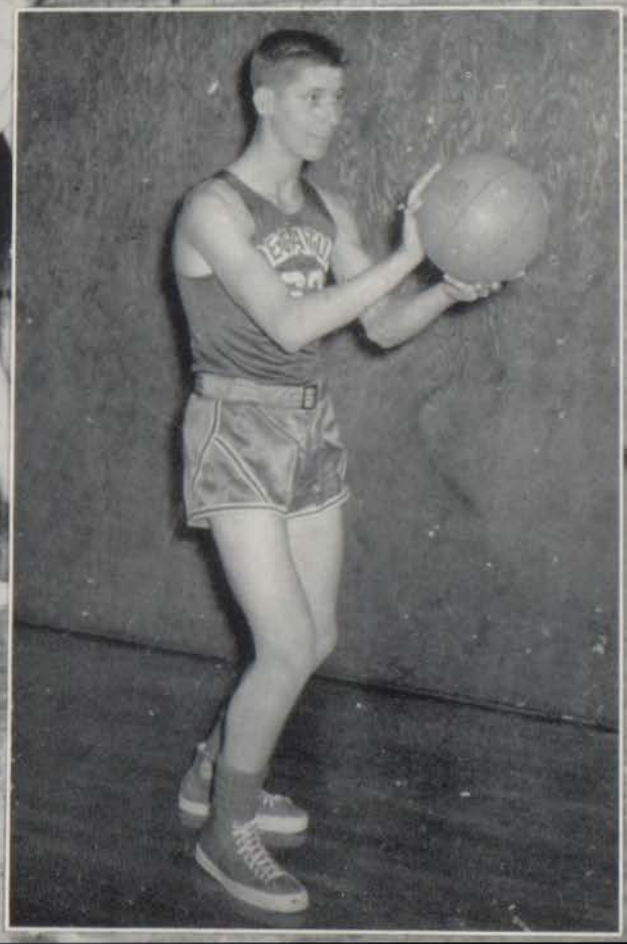

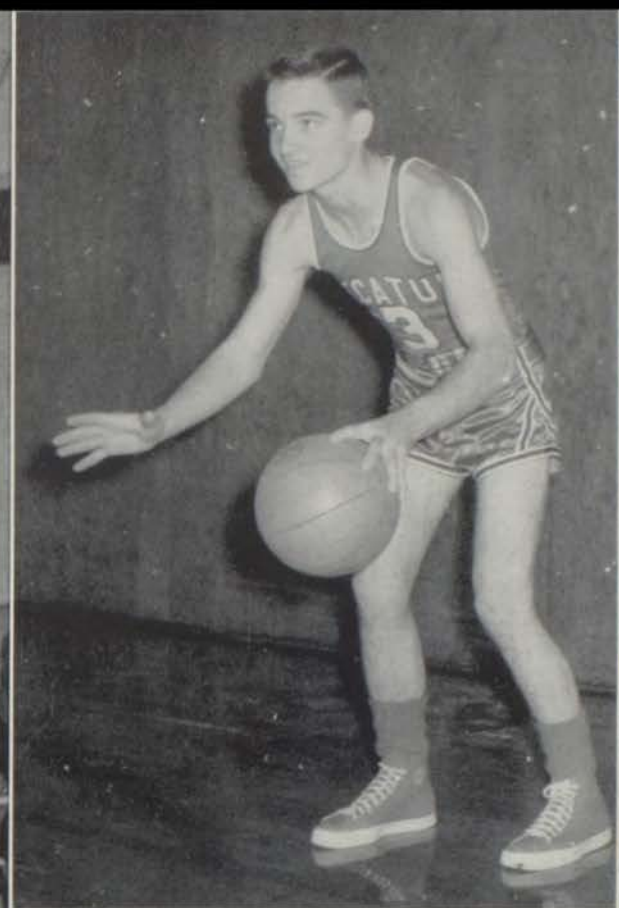

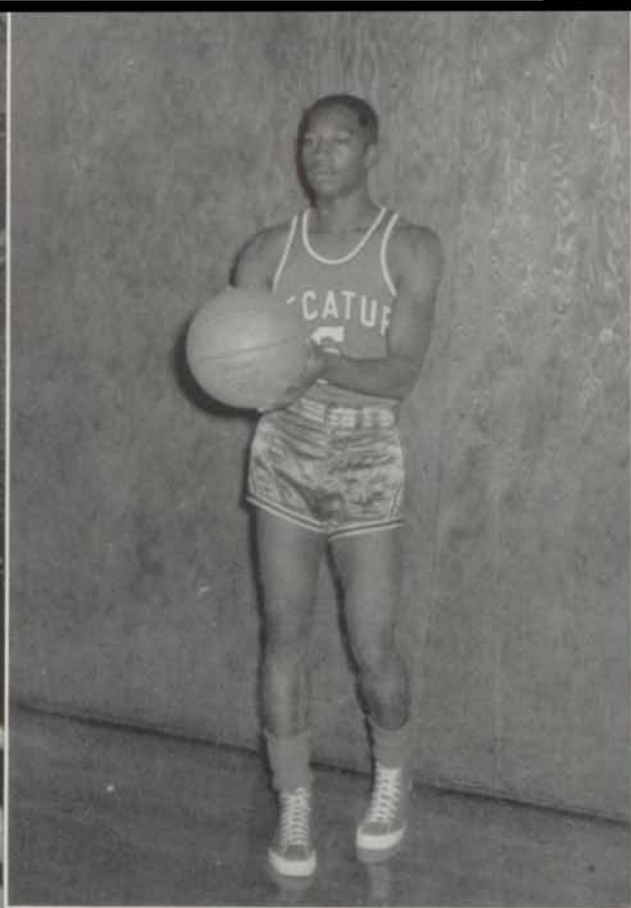

It was seldom the Decatur fans left the Kintner Gym with the dejected look of losers. The Decatur Reds rolled over all but seven rivals during the 1951-1952 basketball season. Sometimes slow to start, there were some exciting, some close, and some doubtful games.

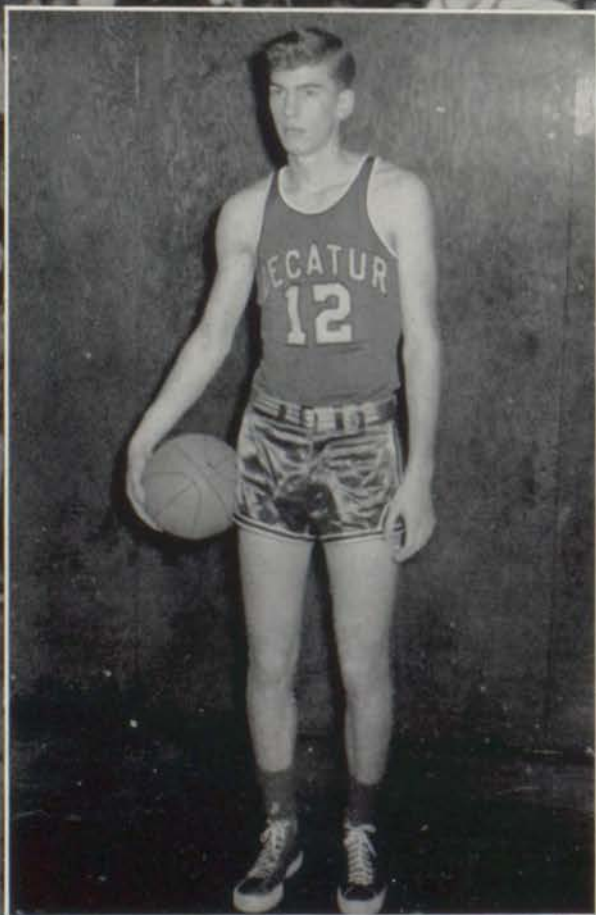

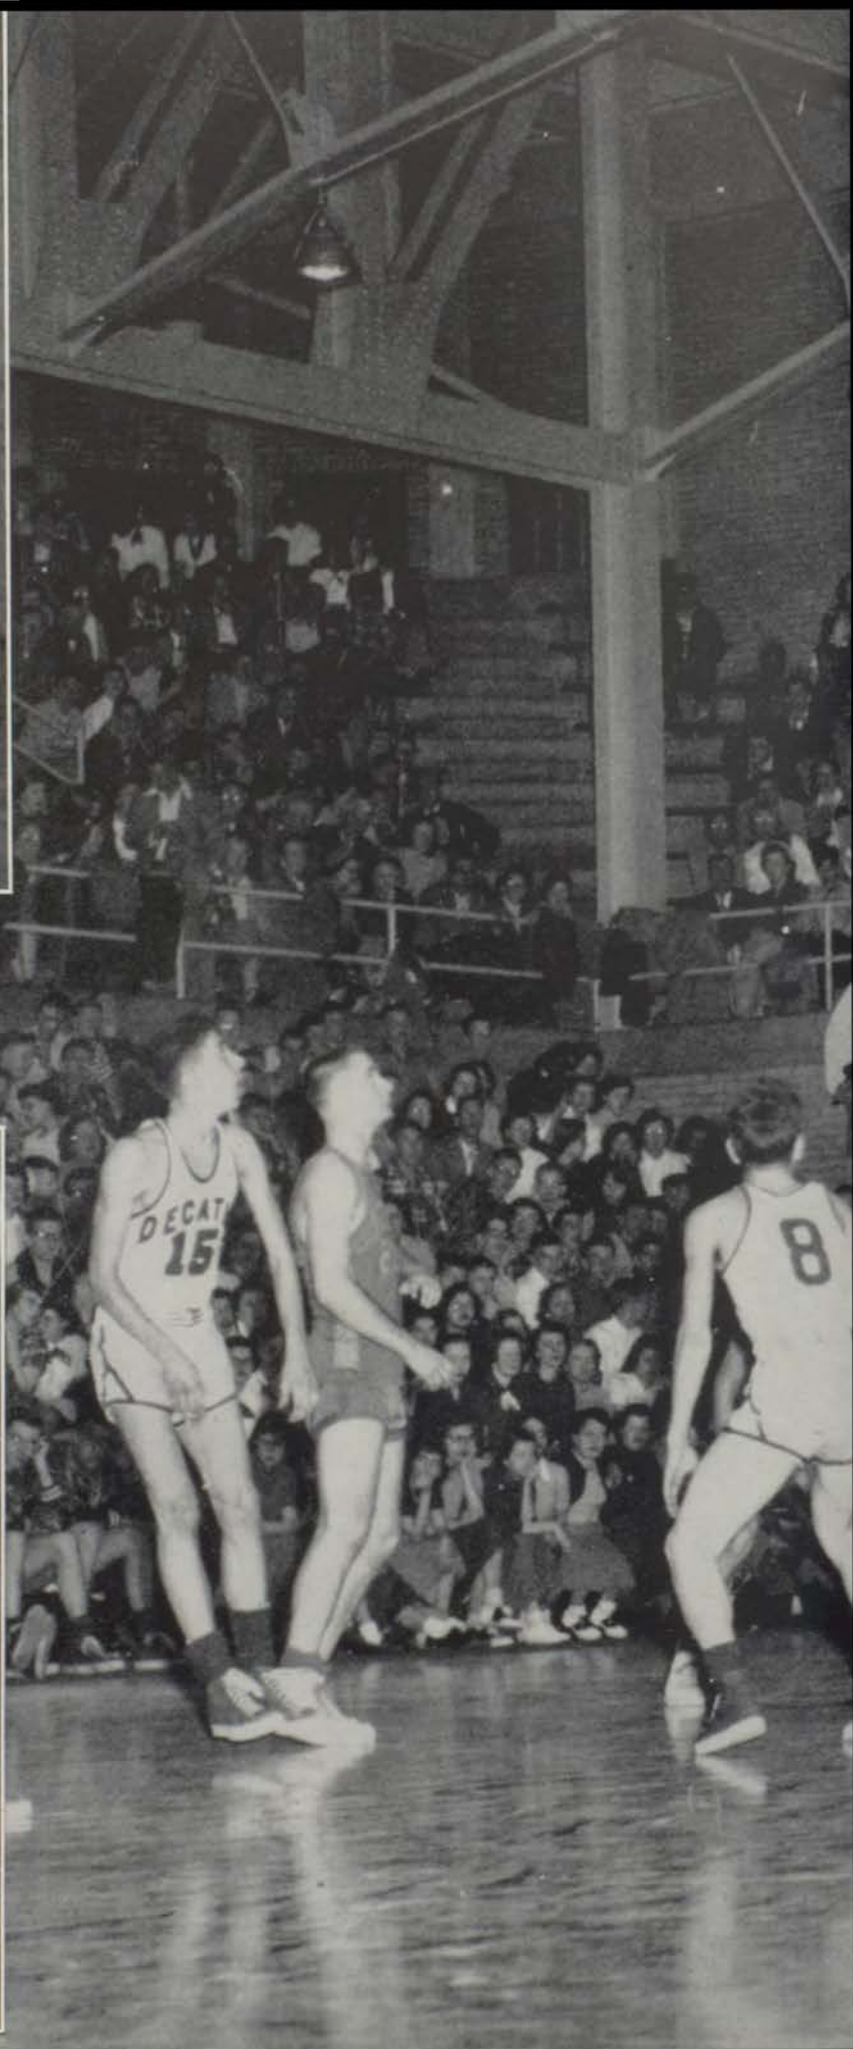

This year the Decatur Reds came out second in the Big Twelve. After winning the Regional, they fell to Taylorville by a score of 69-64 and were eliminated from the Sectional. The competition was rough, and the Reds lost the next to the last game between them and the State. They were good losers as well as good winners. The Reds had a record, a team, and a coach Decatur can be well proud of—the 1951-1952 basketball season.
